The Learning Challenge
CURRICULUM

Parent Overview ~ Autumn Term 2 2026

Class: Towneley **Teacher: Mrs Akram**

Do we have a problem with litter in our settlement?

Science

We will learn how our bodies process food, including the different types of teeth and their important functions. We will explore how animals and humans grow and develop, learn about healthy lifestyles and the changes that happen during puberty.

Geography

We will explore different types of settlements and how land is used across the UK. We will conduct fieldwork by investigating the different types of litter found around our school and consider how we can help care for our local environment.

PSHE

We will be focusing on:

My healthy self: How can I support my mind and body as I grow?

Religious Education

The focus is 'Why is Jesus described as the light of the world?'

Spanish

My town/your town
Time in the city

Physical Education

Swimming YR 4: Tuesday morning
Creative games: Thursday afternoon
Children will play competitive games, modified where appropriate and apply basic principles suitable for attacking and defending.

DT

Drawing: Exploring tone, texture and proportion

We will explore tone, texture and proportion to create realistic and expressive drawings, inspired by artists Sarah Graham, Nicola McBride and Beatriz Milhazes.

Computing

Introduction to Purple Mash
Sound Stories

Music

Get Set Scheme: Instruments
Recorders

English Core Texts

This half term, we will write a story based on 'The incredible book eating boy'
