

We are looking forward to the next half term

Last half term we enjoyed lots of experiences. We loved reading Pete the cat and all his adventures. We enjoyed using our senses to smell, taste and use our fingers to paint with. We can't wait to continue the children's learning and development at Holden Clough Nursery.

In Nursery our next topic will be,

Autumn and Celebrations

We will be learning about the season of Autumn and looking at how the weather has changed and the nights are darker. We are going to read a book called **Owl Babies** to help us learn about animals that are awake at night. We will be finding out what baby owls are called? What do they eat? We will go on autumn walks in the schools grounds to look at changes to the trees using a book called **Tap the magic tree**. We will continue to read lots of stories to help support our re telling skills.

We have introduced the children to Drawing club. This is away to introduce story telling and mark making. It helps the children to be imaginative and creative. It introduces them to new vocabulary during the session.

How can you help?

Please continue to encourage your child to become more independent with dressing skills. Finding & putting on their own coats then hanging it up. Extending this to getting dressed will be a super life-long skill too.

Please label all your child's clothing and belongings, this will allow us to return clothes more easily if they get mislaid.

Check out

Monday 27th November we are going to start taking a Library book home. You are welcome to come early to Nursery (11.25) to share books with your child and take the book home and bring back the following week to change.

Don't forget we are here to help and support you and your child. Please don't hesitate to speak to any member of the EYFS staff and inform us of any worries or concerns.

Hopefully everyone is on Tapestry. This is our online tool to share children's learning between Nursery and home. Regular use of Tapestry supports the relationship between your child and nursery. It allows achievements to be celebrated. Please ensure that you have set up your account and logged on. We are always keen to observe the many exciting and varied experiences the children engage in outside of school!
