Holden Clough Newsletter

This week in 3/4GG

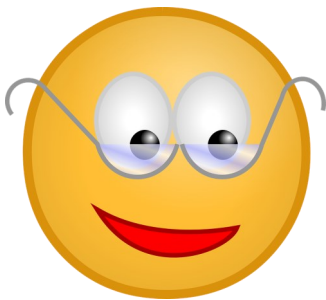

We have had an electric time in Year 3/4GG this week. We have been practicing our gymnastic skills where we have been looking at balances and transitions. This will be building up to a set of movements accompanied by music.

We have also been looking at creating circuits in both science and D/T. We have been ensuring that we understand all the components of creating a circuit. IN D/T we have been designing our own torches and we will be creating these over the next few weeks.
