The Government recommends that Year 3 children should have homework each week.

We will release weekly numeracy and literacy homework.

This will be given to your child on Fridays. The children will be asked to return homework by Thursday the following week. We will keep some copies in school in case your child loses theirs.

If your child requires help, we will host weekly support sessions during school hours.

Please note that homework is important feature of your child's learning.

The homework is set so that the children can recap something from an earlier year group or to consolidate new learning.

## E-safety

Please could we have your support in ensuring that your child is continuously reminded about the dangers of the Internet.
