

Autumn 2: Eat more fruit and vegetables

What do I already know?

- I know what a fruit or vegetable is.
- I know what some fruits or vegetables taste like.

Key facts I will learn:

- To present our favourite fruit and vegetables data in a pictogram.
- To examine, taste and describe a variety of fruits and vegetables.
- To find out how to handle and prepare a variety of fruits and vegetables.
- How to design a recipe including fruit.
- To be able to make and evaluate a food product based on a design.

Key vocabulary

Fruit	a fruit is the part of a flowering plant that contains the seeds.
Vegetables	a plant or plant part grown for use as food and eaten raw or cooked.
Pictogram	a chart that uses pictures to represent data.
Recipe	a set of instructions for making food.
Five senses	these are body organs which humans use to be able to see, smell, hear, taste, and touch or feel.
