

Transport from the 1920s to the present day

Key Vocabulary

Amelia Earhart

Amy Johnson

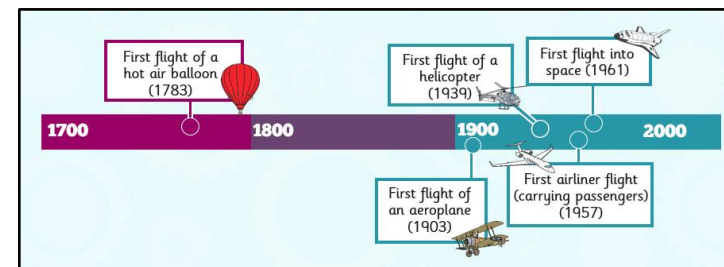

| | |
|----------------------|--|
| Travel | To move from one place to another. |
| Transport | Carrying people or goods from one place to another. |
| Explorer | A person who travels to places that we know little about to find out about them. |
| Navigate | To plan or direct the route of a ship, plane or car using maps. |
| Pilot | A person who drives a vehicle such as an aeroplane, boat or spacecraft. |
| Aviation | Flying or operating an aircraft. |
| Timeline | a line of events to show the order in which they happened |
| Chronological | A list of events in time order. |

What I should already know about:

- Everyone has a past and past events can influence the future.
- People and events of the past fit into a chronological order and how to place them on a time line.
- I have looked at objects from the past and ordered them chronologically.
- The Space Race and that the first person landed on the moon in 1969.

How has travelling changed in 100 years?

History of Flight Timeline

What I will learn:

WALT 1: know how aeroplanes changed from 1920s to present day

WALT 2: know about the life and journeys of Amelia Earhart and Amy Johnson

WALT 3: know how cars have changed from the 1920s to the present day

WALT 4: know how bikes have changed throughout history.

WALT 5: know how transport has changed our streets since the 1920s.

WALT 6: End of unit
