Beth Owen - Head of School

The Team

How to get in touch

- Speak to us on the door at the beginning/end of the day or ask for a call or a meeting. We always think that having a conversation is best.
- Weekly email
- Newsletter
- Half-term curriculum overview- includes key dates (stick it up somewhere at home)
- parentinbox@brookburn.manchester.sch.uk
- Website- so much information about the curriculum, anything you can't find just ask

Brookburn Values

Each week in golden assembly, children are celebrated within each of these areas:

Academic Excellence: ensuring that any child, no matter what their background or individual needs are as successful as they can be.

Creativity and the arts: to support children to process complex emotions to support increased self-awareness, enjoyment, imagination and understanding.

Respect: this aligns with our Rights Respecting curriculum and underpins everything we do.

Physical well-being: a curriculum and mindset to support children's health, well-being and sets lifetime habits.

Global citizenship: teaching our children about the world and their important place within it. Developing children's awareness of their role and the positive impact they can have.

Mental Well-being and Mindset: developing happy, secure and confident children who work with resilience and determination.

Website

Empowering Learning Skills

We develop personal and social behaviours to support children through their primary years and to support effective life-long skills so they are:

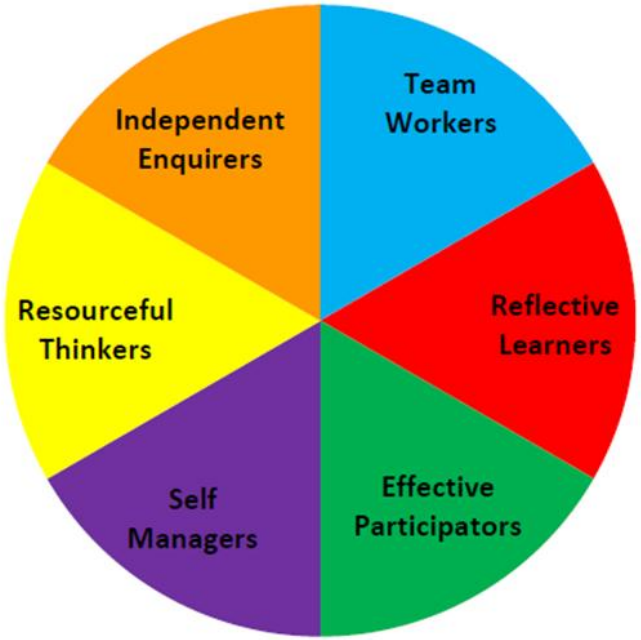

- self managers
- resourceful thinkers
- independent enquirers

- team workers
- reflective learners

- effective participators

These are reported on in our termly reports to parents

Attendance and punctuality

- We expect that all our children will have good attendance. Good attendance and punctuality at school is vital if your child is to learn and reach their full potential.
- Doors open at 8:50am and close at 9am. There is always a learning activity ready in the class at 8:50am so the earlier the children arrive the better.
- Our Deputy Head, Beth Owen leads on attendance and punctuality and she will work with you if and when you need any support or if attendance becomes a concern.

Behaviour / Communication

- *'We believe the best interests of a child must be our top priority'*
  (UN Convention on the Rights of the Child Article 3).

- We put relationships first and nurture positive relationships. This is modelled through how we communicate with each other.

- 'Behaviour is communication' approach

- We maintain clear boundaries and expectations around behaviour. Children need predictable routines, expectations and responses with sufficient flexibility to allow an empathetic and personalised approach.

- UNICEF class charter in every classroom

We notice positive behaviour…

House points

Star of the Week

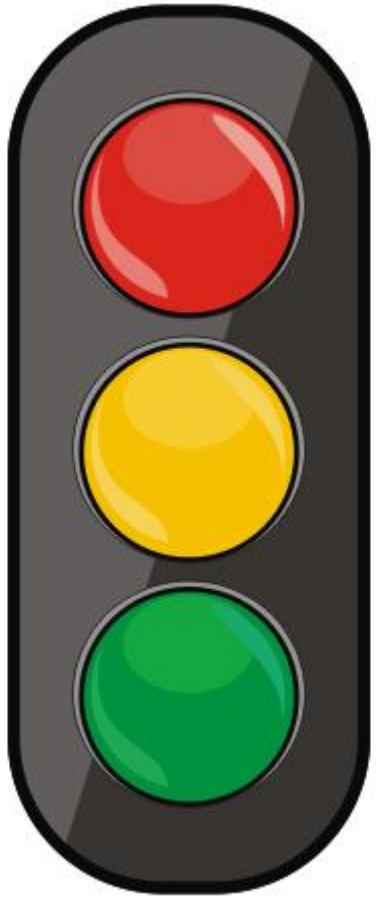

Mrs Owen's Super Sightings

Class rewards

Dojos

Behaviour / Communication

- Time to reflect on behaviour and improve
- Names not displayed
- Emphasis is always on moving back to green
- Tailored approaches used for individuals
- Y5/6 Report cards to support transition to High School

Behaviour / Communication- Zones of regulation- What's in your toolbox?

- We support and develop our children's understanding of emotions and provide them with strategies that help them

Additional advice/ support is always available

Keeping ourselves safe

-Healthy Relationships

-Keeping Safe- NSPCC Workshops

-Who to speak to if you have a concern? DSL Beth Owen

A day in Year 1
