Dear Parents/Carers,

Bike Right will be coming into school to run Bikeability sessions on the following weeks:

Week commencing 30th September

Week commencing 7th October

Bikeability is a cycle training programme which will provide your child with the skills, knowledge and understanding to cycle safely on the roads. Year 5 children will have the opportunity to complete the Level 1/2 course over one day. On this course children will learn how to:

- Cycle safely and responsibly
- Identify and respond to hazards
- Start and stop on-road journeys
- Maintain suitable riding positions
- Share the road with others and communicate with other road users
- Comply with signals, signs and road markings
- Manage risk when cycling
- Negotiate junctions (pass side roads, turn at T junctions, and crossroads and roundabouts if present).

Pupils are encouraged to bring their own bikes and helmets to the sessions as they will be familiar with them. However, if your child needs to borrow one for the session, this can be arranged. Parents/carers will be informed which day their child will take the course beforehand so they know when to bring their bikes and helmet to school.

If you would like your child to take part in the Bikeability course, please complete the following online consent form:
