## WHAT IS THE EYFS?

At the end of the EYFS, there are 17 Early Learning Goals that children are expected to achieve.

The **Early Years Foundation Stage** covers the first stage of a child's care from birth to five years old. It sets the standards to ensure that all children learn and develop, as well as keeping them healthy and safe.

The EYFS curriculum gives children the broad range of knowledge and skills that provide the right foundation for good future progress through school and life.

Included in the EYFS are the seven areas of learning.

### **Prime areas:**

Communication and Language, Physical Development, Personal, Social and Emotional Development

### **Specific areas:**

Literacy, Mathematics, Understanding the World, Expressive Arts and Design.

The curriculum is delivered through a combination of child-initiated activities and adult-led activities.

There is natural free-flow between the indoor and outdoor area.

Children are observed across all areas of learning throughout the day.

Baseline assessments take place in the first 6 weeks of the autumn term.

Observations and significant learning is documented. This information informs the next steps for learning, to support progression.

## SUPPORTING LEARNING AT HOME

Each week, your child will have a 'Reading for Pleasure' book to take home to enjoy together.

Please ensure your child looks after school books and please record how well they read the book in their reading diary.

Homework activities/Home Learning Challenges will be given out fortnightly, once the children are ready.

Homework can be recorded with photographs. Wow moments sheets can be used to evidence significant learning.

Children will have a school book bag to keep their reading book and homework in. Please bring this into school each day.

Please visit our school website for information about our curriculum and how you can support your child with their learning at home.

Each class follows our golden rules – 'The Tushingham Way' to reinforce positive behaviour choices.
