

Physical Education (PE) and Sport Premium

The Secretary of State for Education provides funding to improve the provision of Physical Education (PE) and sport in primary schools for academic year 2025-2026. This funding is being jointly provided by the Department for Education, Health and Culture, Media and Sport, and it must be used to fund additional and sustainable improvements to the provision of PE and sport, to encourage the development of healthy, active lifestyles.

Ofsted assesses how primary schools use the primary PE and sport premium. They measure its impact on pupil outcomes, and how effectively governors hold school leaders to account for this. Schools therefore have to ensure that they can identify the impact that the funding has made towards enhancing participation rates in PE and sport, encouraging healthy, active lifestyles and helping children reach the performance levels that they are capable of. Schools will have the freedom to choose how they wish to use their money.

All schools with 17 or more pupils receive £16,000 plus £10 per pupil

Total number of pupils on roll (Y1-Y6) at Tushingham School = 86

Total amount of sports funding allocated to Tushingham School = £16,860

Impact Statement – July 2026

At Tushingham Primary School, we are proud of the high-quality physical education curriculum and the wide range of sporting opportunities we provide. Our vision is to inspire every child to develop the confidence, skills and motivation to lead a healthy, active lifestyle. Woven throughout our PE curriculum are our core Christian values of respect, compassion, generosity, forgiveness and perseverance, which help to develop resilient, responsible individuals and positively influence children's wider life experiences.

All pupils receive at least two hours of high-quality PE each week, complemented by active lunchtimes and a rich programme of enrichment opportunities, including additional swimming sessions, tennis coaching, Bikeability, inter-school competitions and sponsored sporting events. These experiences broaden children's participation in physical activity, introduce them to new sports and promote positive habits that support lifelong health and wellbeing.

The PE and Sport Premium funding continues to have a significant and lasting impact on both participation and the quality of provision. Children demonstrate increasing confidence, competence and enthusiasm across a wide range of physical activities. Our Year 5 Sports Buddy training programme equips pupils with the leadership skills needed to organise and lead purposeful lunchtime activities for younger children the following year. This has increased levels of physical activity during breaktimes while also developing leadership, teamwork and communication skills.

Investment in high-quality professional development has strengthened staff confidence and expertise in delivering PE, ensuring that teaching continues to improve and that the impact of the funding is sustainable over time.

We are committed to providing every child with opportunities to apply their skills in competitive sport. Pupils from Years 1 to 6 regularly represent the school in a wide range of competitions, including multi-skills, football, athletics, rounders, hockey, tag rugby, swimming, cricket, basketball and netball. Increased participation and enthusiasm have enabled us to enter multiple teams into many events, allowing more children to experience the pride of representing their school. This year, our teams achieved success, including winning the year 5/6 football tournament and securing some top-three places across other competitions.

Beyond school, many children have been inspired to join local sports clubs or participate regularly in extra-curricular activities. We actively celebrate both in-school and out-of-school sporting achievements, recognising success, effort and perseverance. As a result, we continue to foster a positive sporting culture where children develop not only physical competence, but also confidence, resilience, teamwork and a lifelong enjoyment of being active.

Tushingham-with-Grindley CE Primary School

Breakdown of PE spending for academic year 2025-2026

Purchase	Total Cost	Impact	Sustainability
Broxton Rural Education Improvement Partnership School Sport Package	£1195	All children from Year 1 – Year 6 have had an opportunity to participate in competitive sport. This year, we have continued to focus on increasing opportunities for inter-school competitions and B team competitions to promote competitive sport and inspire all pupils to achieve. Tushingham children have been involved in School Games level 1 competitions. High quality CPD organised for all staff.	Primary link teachers able to organise tournaments to School Games level 1 standards. Staff confidence has increased.
Forest Schools	£6370	Each class has 6 Forest Schools sessions throughout the year (except autumn 2 and spring 1 terms). 2 of these 6 per class are focussed on being physically active outside and maintaining a healthy lifestyle.	The children's experience in active Forest Schools sessions can help to lead to the development of healthy bodies and healthy minds/positive wellbeing from being relaxed and active outside.
Tivoli grass preparation for competitions and clubs	£1977.84	Markings and pitch preparation to allow for a range of sports within the sporting calendar. Tushingham are able to host home matches and competitions.	Children continue to access a range of outdoor sports, using the correct field settings.
Fresh fruit for key stage 2 children. Snacks and drinks for visiting competitive teams	£473.86	Children are making healthy lifestyle choices, eating fresh fruit daily.	

Rewards for participation in sport (stickers, trophies etc)	£16	Children are motivated to participate and achieve. More children wanting to be involved in competitions.	Praise and rewards motivate, encourage and celebrate every child's sporting involvement.
Hiring qualified coaches (SRFD) for teachers to work alongside	£7520	Children have access to specialist coaches and a wide range of sports. Specialised PE CPD for all staff. Children practise for competitive events in PE sessions. More children now want to be involved in competitions. Tushingham School are often able to take an A and B team to competitions and events, ensuring that our more able athletes have access to high quality competitive events, whilst also ensuring inclusivity for all. Tushingham now has a football and netball team for girls.	Staff are competent and are appropriately trained to teach high quality PE. Staff confidence has increased. Children's transferable skills allow them to enjoy a higher level of success across a wider range of sports. Current teams are inspiring younger children in the school to also take part in sporting events.
Playground/Sports Equipment, Survey and Remedial work	£559	Replacement of playground and PE equipment.	Ensuring safe active playtimes and PE sessions.
New PE equipment purchased	£52	High-quality PE resources have been purchased to replace and supplement our current PE equipment.	Children can work in smaller groups and pairs to practise skills, because more equipment is available for the PE lessons.
Total spend for 2025-2026 academic year	£18,163.70		

Meeting national curriculum requirements for swimming and water safety

Percentage of pupils within our current year 6 cohort in the 2025-2026 academic year who have met the national curriculum:	
Swim competently, confidently and proficiently over a distance of at least 25m	93%
Use a range of different strokes effectively (for example, front crawl, backstroke and breaststroke)	93%
Perform safe self-rescue in different water-based situations	93%

Number of children in current year 6 cohort - 14
