

Curriculum	Summer 1 Learning
English	<p style="text-align: center;">Strong Mind</p> <p>Children will be learning to an instructional text focused on wellbeing and being a good friend. Reading lessons will focus on developing reading skills using non-fiction texts.</p>
Mathematics	<p style="text-align: center;">Mass and capacity</p> <p>In this unit, children will learn to: measure in grams and kilograms, compare and add/subtract mass. Children will measure capacity and volume in ml and litres , compare and sass/subtract measurements.</p> <p style="text-align: center;">Fractions</p> <p>In this unit children will deepen their understanding of fractions by exploring unit and non-unit fractions, recognising fractions on number lines and identifying fractions of shapes and sets. They will build confidence in comparing and ordering fractions, developing a secure foundation for future work on proportional reasoning.</p>
Art	<p style="text-align: center;">Animated drawings</p> <p>In this unit children will explore how to bring their drawings to life by experimenting with simple animation techniques. They will learn how movement can be created through sequential images, develop confidence in mark-making, and use digital tools to turn their ideas into short animated pieces that show creativity and imagination.</p>
History	<p style="text-align: center;">Roman Britain</p> <p>In this unit children will explore who the Romans were, why they came to Britain, and how their invasion and settlement changed life for the people already living here. They will learn about Roman soldiers, everyday Roman life, key historical figures, and the lasting impact of Roman innovations—developing their skills in questioning evidence, understanding chronology, and explaining historical change.</p>
PE	<p style="text-align: center;">Yoga</p> <p>In this unit children will learn how to control their bodies through a series of yoga poses that build balance, strength and flexibility. They will develop focus, breathing techniques and body awareness, helping them to move with confidence and stay calm and centred during physical activity.</p> <p style="text-align: center;">Athletics</p> <p>In this unit children will develop their running, jumping and throwing skills through a range of athletic activities. They will learn how to improve their technique, build stamina and speed, and work towards achieving personal bests while understanding how to use their bodies efficiently and safely.</p>
Computing	<p style="text-align: center;">Coding</p> <p>In this unit children will learn how to create simple programs by building, testing and debugging their own code. They will explore sequencing, repetition and logical reasoning, gaining confidence in using digital tools to design algorithms and solve problems in a structured, creative way.</p>
Music	<p style="text-align: center;">Samba with Sergio</p> <p>In this unit children will explore the vibrant rhythms and musical traditions of samba through singing, movement and percussion. They will learn to keep a steady beat, layer rhythmic patterns, respond to musical cues and perform as part of an ensemble, building confidence, coordination and a strong sense of musical teamwork.</p>

PSHE	<p style="text-align: center;">Economic Wellbeing</p> <p style="text-align: center;"><i>In this unit children will learn about the different ways money is earned, saved and spent, and begin to understand the value of making informed choices. They will explore needs versus wants, recognise that people have different financial circumstances, and develop early skills in budgeting, saving and understanding how money impacts everyday life..</i></p>
DT	<p style="text-align: center;">Pneumatic toys</p> <p style="text-align: center;"><i>In this unit children will explore how air can be used to create movement by investigating simple pneumatic systems. They will design and make their own moving toy, learning how mechanisms work, developing their construction skills, and evaluating how effectively their finished product meets its intended purpose..</i></p>
