This week at Runcorn All Saints CE Primary School

WELCOME TO OUR NEW CHICKENS

I can not believe we are already through the second week! This week we have welcomed our new four chickens as Maud, Mabel, Eggward and Monty have gone into retirement and are living their best life on the farm. Our four new chickens are bantam chickens and have some lovely colourings. This week we will be choosing their names and getting to know them better. Each of the classes will have a day looking after them and ensuring they are healthy and well-kept. Do pop and see them at the start or end of the day.

Spotlight on Team Bethlehem

Our new Reception class has made a fantastic start to school life and have settled in exceptionally well. They are already showing great enthusiasm for learning and have quickly become familiar with their new routines and environment. As part of their learning, the children have been developing their fine motor skills through a range of fun and engaging activities. We are incredibly proud of how well they have adapted to school and look forward to seeing their confidence and skills continue to grow throughout the year.

Attendance

Our weekly whole school attendance is 96.6%

Well done to Team Canaan & Nazareth for having the highest attendance this week, both at 100%.

Our Celebration Family Worship

It was lovely to end our week this week in church and celebrate everyone's achievements.

Well done to our certificate winners this week.
