This week at Runcorn All Saints CE Primary School

JEANS FOR GENES WEEK

This week, we were proud to support Jeans for Genes Week, helping to raise awareness and funds for children living with genetic conditions. Thank you to all of our families for your donations and support to this charity – we raised a total of £78. Your contributions will make a difference to the lives of children and families across the UK. The children thoroughly enjoyed wearing their jeans and making their sweet treats on Friday.

Spotlight on our Wellbeing Ambassadors

Our Wellbeing Ambassadors have been working alongside the LA Mental Health Team to explore the Five Ways to Wellbeing: Connect, Be Active, Take Notice, Keep Learning and Give. Throughout the year they will be developing a deeper understanding of how these simple actions can support positive mental health and happiness. The ambassadors will be sharing these messages across school, encouraging all pupils to make positive choices that support their wellbeing and help our whole school community to flourish.

Our Celebration Family Worship

It was lovely to end our week this week in church and celebrate everyone's achievements.

Well done to our certificate winners this week.
