

# What was life like for a child during World War II?

## Key Stage 2

To be handed in on Friday 17<sup>th</sup> May 2024.

We would like you to create a project using your knowledge about World War II.

Can you find out what life was like for children during the Second World War?

You might want to design a meal using the ingredients available during rationing. You could design a game that the children would have been able to play. You may even want to imagine that you been evacuated – what would you take with you? Would you write a letter home?

You will need to explain your project in your own words when you present it.

It is up to you how you decide to present your project and you may work with a partner if you wish (no more than two people in a group).

**However**, you must demonstrate knowledge and understanding by making sure that it is your own work and that the information is written in your own words.

Here are some useful websites:
