

Homework Expectations – 2026/27

Dear Parents and Carers,

We are pleased to share our homework offer for the coming academic year. We recognise the important role that homework can play in reinforcing learning, developing independence and helping children to build positive study habits.

Our whole-school homework offer will include the following:

- **Weekly Maths:** A maths activity will be set each week on Purple Mash, linked to the learning taking place in class.
- **Reading:** Children are expected to read at home at least three times a week. This can include reading independently, reading with an adult or sharing a book together.
- **Times Tables Rock Stars (TTRS):** Children should regularly practise their times tables using TTRS to develop fluency and recall.
- **Rollama:** Children will have opportunities to practise and develop their English skills through activities set on Rollama.
- **Topic Homework:** Each half term, children will receive a topic-based homework task linked to their current learning. These activities are optional but will provide opportunities for children to explore their topics further, be creative and develop their understanding beyond the classroom.

Year 3 Topic Homework – Discover Doncaster

Science- Movement and Nutrition

In our Geography lessons we will be learning about features in Doncaster and comparing this to New Delhi (India). In science we will be thinking about the bones, joints and muscles help us to move and how to keep a healthy lifestyle. These activities will support this learning.

HOMEWORK MENU

Choose an activity to explore!

RESEARCH

Create a fact file about New Delhi, including its location, climate, population and famous landmarks. Add a map showing where it is in India and the world.

ART

Design a colourful rangoli pattern using paper, chalk or natural materials. Explain the colours and shapes you chose.

DESIGN CHALLENGE

Draw or build a model of a landmark in New Delhi or Doncaster using recycled materials or construction kits.

MAP WORK

Go for a walk around an area of Doncaster and draw a map to show how land is used in the local area. E.g. where are shops, house located? Are there any places of interest?

CREATIVE WRITING

Write a postcard home pretending you have spent a day visiting New Delhi. Describe what you have seen, heard and tasted.

PE

Invent an exercise routine to help build up different muscles in the body.

MATHS

Carry out a survey of your friends and family's favourite fruit and then present the information in a bar chart or pictogram.

Favourite Fruit

Fruit	Count
Apple	9
Banana	8
Orange	6
Grapes	4

Key: = 1 vote

HEALTHY MEALS

Create a menu for a dinner party. Can you include the different food groups?

MENU

Starter: Tomato soup

Main: Grilled chicken, brown rice and steamed vegetables

Dessert: Yogurt with berries

ADVERTISE

Create something to encourage people to come and visit the city of Doncaster. This could be a list of reasons to visit, a leaflet describing the town, a poster outlining key features and attractions or something else of your choice.

VISIT DONCASTER!

- ✓ Great places
- ✓ Great people
- ✓ Great shops
- ✓ Great food
- ✓ Great memories!

COME AND EXPLORE DONCASTER!
