

# Spring 2 - Year 1

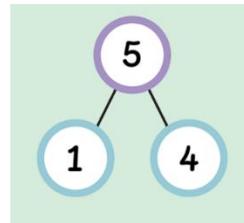

## Literacy

In Literacy this half term, we will be continuing our exploration of Julia Donaldson. We will be looking at some more of her texts and learning more about her life as an author.

## Maths

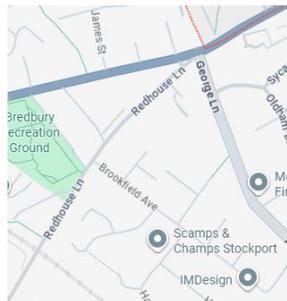

We will be beginning to explore number bonds 5-10 and looking at different ways to partition them.

## Topic

During this half term's Project Week, we are exploring our local area.

We will be using maps and asking questions about our local area.

## Science

In science this half term we are learning about plants. We will be learning some common plants and learning the basic structure of plants.

## R.E.

In R.E, we will be learning about 'What makes some places sacred?' We will also start to think about Easter.

## Notes

- PE Days are Monday and Wednesday.
- Please provide your child with a labelled PE kit - this must include PE bottoms, top, jumper and trainers.
- Home learning is sent out every Friday and needs to be returned each Thursday.

**Thank you for your continued support.**
