

HAVELEY HEY COMMUNITY SCHOOL

BUILDING RESILIENCE, AMBITION AND RESPECT

We've said a sad goodbye to Mrs Penty today. She has supported the children and families at Haveley Hey for 19 years and will be very much missed. Thank you for all that you have done for us Mrs Penty.

Miss Hutton will come out of class to take the role of Behaviour Teaching Assistant after half term and a new TA will replace her in 4B. More information will be shared with parents in 4B.

Our news...

Happy half term - we hope you have a lovely half term break. Nurture enjoyed a trip to Wythenshawe Park this week and 4B visited the Recycling Centre to support their learning about the environment.

A reminder about the Parents Connect course at school every Wednesday morning from 9- 11:30am starting on 5th November (the first day back). It is to help you to support your children with healthy routines and learning at home, including screen time, sleep, reading with your children, communicating effectively and more. If you are interested, please contact Mrs Docker on dojo.

Attendance last week was 94.6% - the best so far this year! Well done to 5B who had the best attendance in school at 98.8% and 3A and 6A for the most improved attendance; cakes will be on their way to you today.

The new times to the school day will start after half term (Wednesday 5th October) School will start at 8:35am and finish at 3:30pm on a Monday to Thursday and start at 8:35am and finish at 1:25pm on a Friday. We look forward to seeing you at school on time after half term.

This week's topic- The importance of limits and consequences for children

Limits are like lines on a sports field. If you cross them the consequence is the game stops, or someone gets a penalty. Children can understand limits and consequences in the same way. Limits and consequences take the heat out of power struggles. You and your child know exactly what's required and what will happen if rules are not followed.
