

HAVELEY HEY COMMUNITY SCHOOL

BUILDING RESILIENCE, AMBITION AND RESPECT

Get to know your rights!

1. Know what 'rights' means

Children's rights are universal — they belong to every child, everywhere, simply because they are children.

They are not earned by good behaviour and they can't be taken away.

You can help at home by talking about fairness, kindness, and respect for others' rights too.

Nurture Principles – tip of the week:

(Children's Learning is Understood Developmentally)

Meet your child where they are, not where you think they 'should' be. Notice their emotional age as much as their actual age — sometimes a bit of extra patience and support helps them catch up in their own time.

Our news...

We've really enjoyed the focus on Ant Bullying in school this week. Thank you for supporting your children to get involved with Odd Socks Day on Monday. In addition to that, children have been busy making gratitude diaries, kindness chains and ...

Anti bullying links to our commitment to being a UNICEF Rights Respecting Gold level school. The articles linked to anti-bullying focus on children's rights to protection from violence and abuse (Article 19), the right to be treated without discrimination (Article 2), and the right to have their views taken seriously (Article 12).

Attendance last week was 92.5%. Good attendance is 96% – let's work to reach this target!

Maths Workshop

Thank to our parents and carers who attended the KS1 Maths workshop this Thursday. It was great to see you all and we hope that it was helpful.

We aim to provide regular, opportunities for you to engage directly with your children's learning in school.

If you have any suggestions of workshops or areas for learning that you would like support with, please get in touch.

Good news – well done to Reception A who almost had a full class of reading book bags returned this week!

Fantastic swimming achievements – Daniel and Zophia.
