

HAVELEY HEY COMMUNITY SCHOOL

BUILDING RESILIENCE, AMBITION AND RESPECT

Our Pupil Leadership teams have been in Ghyll Head in the Lake District this week making the most of the time to plan for this year and having lots of fun together.

They have been working with the teams at the Willows to develop our Rights Respecting charter work which we will share with you over the next half term.

Our news...

Happy New Year!

We hope you enjoyed your Christmas break. We have enjoyed welcoming you all back to school this week.

We like to hit the ground running and have had 4 trips already this week which have helped to bring our curriculum to life and extend children's learning.

Year 2 were praised for their respectful behaviour on their trip to the Manchester Airport Aerozone - well done!

Congratulations also to our boys football team who competed at the Etihad Campus today and showed real resilience and ambition earning the school 6 points in the league.

Our attendance focus is coming to school on time for 8:35am. Attendance last term was 91.7%.

The class with best attendance overall was 6B who won the £50 voucher - well done!

Good attendance is 96% - let's work together to reach this target!

Reminder - thank you to everyone who has remembered to send their child in with a names water bottle.

Please make sure that these come in with the children at the start of the day rather than leaving them with the office staff.

Next week the behaviour focus will be Resilience: We work independently and as part of a team

Please encourage your child with this over the coming week.

UPCOMING EVENTS

Monday 19th January

Year 6 Frozen Kingdom assembly - 9am

Year 6 - Omaina & Abigail

Thrive: Frank, Nurture: Gabriel, Explore: Frank

Parenting Smart- Is Place2Be's website full of practical advice and tried and tested tips for parents and carers of primary-age children.

This week's topic- My child might be neurodivergent

People vary in the way that their brains take in, process, and respond to information. This diversity of information processing leads to different ways in how people understand and interact with the world. Neurodiversity explains why we are not all the same and is sometimes labelled with a diagnosis, for example of ADHD or autism. Whether you're just beginning to wonder if your child might be neurodivergent, or you're already on a journey of understanding, you're not alone, and there's lots you can do to support them.

Parenting Smart – Online Course

Parents and Carers of 4-11 year olds can access our free online course providing you with **extra tools to deal with everyday parenting challenges**.

The course aims to help you **strengthen your relationship with your child and respond helpfully to challenging behaviour**. You can also join discussions with other parents and carers in your group from across the UK.

Designed to fit around busy family lives, the 4-week course can be **broken down into short 15-minute sections** and you can access it from your mobile phone, tablet or any other device.

All of the content is based on the latest evidence and experience from Place2Be's Parenting Team, in partnership with South London and Maudsley-NHS Foundation Trust.

- ✓ Free
- ✓ No fixed times
- ✓ Accessible from any device
- ✓ Hear from other parents around the UK
- ✓ Place2Be professional on hand to support learning
