

HAVELEY HEY COMMUNITY SCHOOL

BUILDING RESILIENCE, AMBITION AND RESPECT

Get to know your rights!
Article 31: Right to Play and Rest
Make time each week for play, outdoor activities, or family games. Play helps children develop creativity, friendships, and emotional wellbeing.

Nurture Principles – tip of the week
Share Mealtimes Together
Even one shared meal a day provides valuable time for conversation, connection, and listening without distractions.

• Year 1 Phonics Screening Check
• Year 4 Times Table Check

11/6/26 – Parent and Carer Workshop
Supporting Pupils with Anxiety

25/6/26 – Take Over Day

Our news...

Year 4 visited Eyam in the Peak District this week to learn more about the Plague to support their learning in History and provide an important opportunity to bring learning to life.

We want to say a huge well done to our Year 1 children who have taken part in this year's phonics screening. They showed real ambition and resilience and we are very proud of them!

This week was also the Year 4 timestable check. The children have worked hard in school and at home and using Timestable Rockstars to improve their scores.

This week's attendance drive has been a Haveley Hey World Cup with all 18 classes having a team. They have been competing to be top of the leaderboard with the highest attendance. The winning team/class is 5A and they have won a class football and a medal. To celebrate today, we have dressed up in our class team's colours or our family heritage colours.

I also really enjoyed my special lunch with our VIPs Jamie, Hermione, Lydia and Eric – thank you!

Congratulations to our Children of the Week who have shown ambition by coming to school every day and taking responsibility for their morning routine.

Next week, the focus will be on Resilience: We work as part of a team and are collaborative learners.

A reminder to complete the interest form for free Breakfast Club from September 2026 for children in Reception to Year 6.
<https://forms.gle/ezS4dLsTeLNh3nuu6>

Well done to 2A for the best attendance and 1B for the most improved attendance in school.

Good attendance is 96% – please help us to achieve this target by coming to school on time every day.

Please note that holidays in term time cannot be authorised and may result in a fine from the local authority.

Children of the Week

Congratulations to our Children of the Week

- Nursery – Kobe
- Reception – Alex and Wyatt
- Year 1 – Viga and Arthur
- Year 2 – Mira and Kieran
- Year 3 – Libby and Marvin
- Year 4 – Abi and Lexi
- Year 5 – Adharv and Darcey
- Year 6 – Mace and Chloe
- Explore – Jake, Nurture – Phoebe, Thrive – Tyler

A week in pictures...

Parenting Smart is Place2Be's website full of practical advice and tried and tested tips for parents and carers of primary age children.

This week's topic: Building listening skills for parents

Listening to children sounds simple, but it can be surprisingly hard to do well. As children grow older, many parents find it more difficult to give the same focused attention they once gave their baby. Yet truly listening helps children feel understood, builds their self-esteem and supports them to manage their emotions. When children feel heard, their behaviour often becomes calmer and easier to understand.

This Parenting Smart tip explains why listening can be challenging and how parents can strengthen this skill. It encourages adults to give their full attention, create comfortable moments to talk, and focus on both what the child is saying and how they are feeling. The article also highlights the importance of reflecting back what you've heard, avoiding quick fixes, and showing your child that their feelings matter.

Exclusive to schools supported by Place2Be

Parenting Smart – Online Course

Parents and Carers of 4-11 year olds are invited to join our **free** online course offering extra parenting tools to **support children's wellbeing** and help them **deal with childhood challenges**.

These tools are proven to help children manage their emotions better, follow routines and improve relationships with friends and family.

Designed to fit around busy family lives, this 4-week course consists of **8 short online modules of 30 minutes each**, easily accessible from a mobile phone, at any time.

Place2Be Family Practitioners will be on hand throughout your time on the course to guide your learning and **answer your questions**. You will also have the opportunity to join discussions with other parents and carers from across the UK and learn from each other.

- ✓ Free
- ✓ No fixed times
- ✓ Accessible from any device
- ✓ Hear from other parents around the UK
- ✓ Place2Be professional on hand to support learning

EVERY DAY COUNTS

Good attendance supports better learning and wellbeing

Good attendance supports better learning,
brighter futures and happy children.

Please
contact us
if unsure –
we're here
to help!

WHEN SHOULD MY CHILD STAY OFF SCHOOL?

At Haveley Hey, we follow NHS guidance on illness.

Children will sometimes be unwell.

However, many minor illnesses do not require time off school.

YOUR CHILD CAN COME TO SCHOOL WITH:

Mild cold or
runny nose

Sore throat

Mild cough

Feeling "a bit under
the weather"

Headache
(unless severe)

In these cases, we will:

- ✓ Monitor your child
- ✓ Contact you if they become more unwell

YOUR CHILD SHOULD STAY AT HOME IF THEY HAVE:

High temperature (fever)

A high temperature is above 38°C.
Children should stay at home with
a high temperature over 38°C.

Vomiting or diarrhoea

Stay off 48 hours after
the last episode

Contagious illness
(as per NHS guidance)

Significantly unwell

OUR APPROACH AT SCHOOL

We expect
children to attend
where possible

We support
children who feel
unwell during
the day

We will contact
parents if a child
becomes more
unwell

We provide a
calm space if
needed

WHY THIS MATTERS

Even one or two
days off can:

- ✓ Impact learning
- ✓ Affect confidence
- ✓ Disrupt routines

Good attendance
helps children to:

- ★ Feel settled
- ★ Build friendships
- ★ Achieve their best

WORKING TOGETHER

We ask parents to:

- ✓ Ensure children attend unless they are genuinely unwell
- ✓ Avoid keeping children off for minor illnesses
- ✓ Contact school if unsure – we are happy to advise
- ✓ Ensure children return promptly once recovered

NOT SURE?
Please speak to us –
we are happy to help.
