BUILDING RESILIENCE, AMBITION AND RESPECT

Get to know your rights!
Article 12: Respect for Children’s Views
Encourage your child to share their opinions during family decisions, such as choosing a weekend activity or planning meals. Listening carefully helps children feel valued and teaches confidence and respect.

Nurture Principles – tip of the week
1.Create a Calm Start to the Day
Spend five minutes each morning chatting calmly with your child before the rush begins. A predictable, relaxed start can help children feel safe and ready for the day.

Our news...

Thank you to Year One for starting the week off brilliantly with their Paws, Jaws and Claws assembly. It was lovely to welcome so many parents and carers – thank you for joining us in celebrating your children’s learning.

Reception also had an animal theme this week with their Prize Cow Parade sharing this half term’s learning with parents and carers. The costumes and cows were amazing!

We hope that you all have a enjoyable half term holiday and look forward to seeing you for the start of Summer 2 on Wednesday 3rd June at 8:35am.

Well done to our Children of the Week for showing resilience.

Our attendance focus is coming to school on time for 8:35am. Attendance last week was 92.7%
The class with best attendance last week was 1A and most improved attendance was 4A – well done!

Good attendance is 96% – please help us to achieve this target by coming to school on time every day.

Please note that holidays in term time cannot be authorised and may result in a fine from the local authority.

Children of the Week

A huge well done to our children of the week for your resilience and not giving up when learning is challenging.

A week in pictures...

Parenting Smart is Place2Be's website full of practical advice and tried and tested tips for parents and carers of primary age children.

This week's topic: When a child feels they need to be perfect

Some children put a lot of pressure on themselves to get everything right. While wanting to do well can be positive, feeling they must be perfect can lead to stress, frustration and low confidence. Children may become upset by small mistakes, avoid new challenges or worry about disappointing others.

This Parenting Smart tip explains why children may feel this way and how it can affect their wellbeing. It encourages adults to notice the signs and to support children by praising effort, not just results. The article also highlights the importance of modelling how to handle mistakes and reassuring children that nobody is perfect.

WHEN SHOULD MY CHILD STAY OFF SCHOOL?

At Haveley Hey, we follow NHS guidance on illness.

Children will sometimes be unwell.

However, many minor illnesses do not require time off school.

YOUR CHILD CAN COME TO SCHOOL WITH:

Mild cold or
runny nose

Sore throat

Mild cough

Feeling "a bit under
the weather"

Headache
(unless severe)

In these cases, we will:

- ✓ Monitor your child
- ✓ Contact you if they become more unwell

YOUR CHILD SHOULD STAY AT HOME IF THEY HAVE:

High temperature (fever)

A high temperature is above 38°C.
Children should stay at home with
a high temperature over 38°C.

Vomiting or diarrhoea

Stay off 48 hours after
the last episode

Contagious illness
(as per NHS guidance)

Significantly unwell

OUR APPROACH AT SCHOOL

We expect
children to attend
where possible

We support
children who feel
unwell during
the day

We will contact
parents if a child
becomes more
unwell

We provide a
calm space if
needed

WHY THIS MATTERS

Even one or two
days off can:

- ✓ Impact learning
- ✓ Affect confidence
- ✓ Disrupt routines

Good attendance
helps children to:

- ★ Feel settled
- ★ Build friendships
- ★ Achieve their best

WORKING TOGETHER

We ask parents to:

- ✓ Ensure children attend unless they are genuinely unwell
- ✓ Avoid keeping children off for minor illnesses
- ✓ Contact school if unsure – we are happy to advise
- ✓ Ensure children return promptly once recovered

NOT SURE?
Please speak to us –
we are happy to help.
