

HAVELEY HEY COMMUNITY SCHOOL

BUILDING RESILIENCE, AMBITION AND RESPECT

Get to know your rights!

Article 19: Protection from Harm

Talk openly with your child about feeling safe, trusted adults, and who they can speak to if they are worried. Regular conversations help children feel secure and supported..

Nurture Principles – tip of the week

Encourage Emotional Check-Ins

Ask simple questions like “What made you smile today?” or “Was anything tricky today?” Helping children name emotions supports emotional wellbeing.

Our news...

We try hard to support families to come school on time and this week organised some special World Cup related activities. The children who took part in Mr Heywood's mini football tournament had a blast! The children also enjoyed a range of special activities and watched some of the tournament highlights. Having children in school regularly means they can take part in these exciting events and create special memories.

This week's attendance drive has been a Walk to Rome Challenge. Thank you to all our children and families who have been walking, scooting and Park & Striding to school.

In other news, Year 2 children enjoyed a sunny visit to the beach to give them some hands on experience for their Beachcombers topic.

A reminder that the eligibility criteria for Free School Meals changed on 1 June 2026.

All parents currently receiving Free School Meals must reapply as soon as possible to ensure their child's entitlement continues from September. To check your eligibility and apply, please visit:

<https://www.manchester.gov.uk/benefits-and-support/education-benefits/free-school-meals>

Congratulations to our Children of the Week who have shown Resilience – We work as part of a team and are collaborative learners.

Next week, the focus will be on Respect: We respect our environment, even when no one is looking

Well done to 5A for the best attendance and 4A for the most improved attendance in school.

Good attendance is 96% – please help us to achieve this target by coming to school on time every day.

Please note that holidays in term time cannot be authorised and may result in a fine from the local authority.

UPCOMING EVENTS

Year 2 – Jacob and Jack

Year 3 – Robin and

Year 4 – Shay and Steven

Year 5 – Olivia and Avery

Year 6 – DJ and Harry

Explore – Charlie, Nurture – Emmi, Thrive – Lexxy

A week in pictures...

Parenting Smart is Place2Be's website full of practical advice and tried and tested tips for parents and carers of primary age children.

This week's topic: Using family rules

Family rules can help everyone in the household get along better. Clear, simple rules show children how you would like people to treat each other and what behaviour is expected. When children are involved in creating these rules, they feel listened to and are more likely to follow them. It also gives them a chance to practise sharing their opinions while parents model calm, respectful discussion.

This Parenting Smart tip explains why family rules matter and how to make them work. It encourages adults to keep rules positive and specific, choose only a few at a time, and talk openly about what will happen if rules are broken. The article also highlights the importance of reminding children gently, being consistent, and praising them when they stick to the rules. Regular family meetings can help review what's working and make changes together.

Exclusive to schools supported by Place2Be

Parenting Smart – Online Course

Parents and Carers of 4-11 year olds are invited to join our **free** online course offering extra parenting tools to **support children's wellbeing** and help them **deal with childhood challenges**.

These tools are proven to help children manage their emotions better, follow routines and improve relationships with friends and family.

Designed to fit around busy family lives, this 4-week course consists of **8 short online modules of 30 minutes each**, easily accessible from a mobile phone, at any time.

Place2Be Family Practitioners will be on hand throughout your time on the course to guide your learning and **answer your questions**. You will also have the opportunity to join discussions with other parents and carers from across the UK and learn from each other.

- ✓ Free
- ✓ No fixed times
- ✓ Accessible from any device
- ✓ Hear from other parents around the UK
- ✓ Place2Be professional on hand to support learning

EVERY DAY COUNTS

Good attendance supports better learning and wellbeing

Good attendance supports better learning,
brighter futures and happy children.

Please
contact us
if unsure –
we're here
to help!

WHEN SHOULD MY CHILD STAY OFF SCHOOL?

At Haveley Hey, we follow NHS guidance on illness.

Children will sometimes be unwell.

However, many minor illnesses do not require time off school.

YOUR CHILD CAN COME TO SCHOOL WITH:

Mild cold or
runny nose

Sore throat

Mild cough

Feeling "a bit under
the weather"

Headache
(unless severe)

In these cases, we will:

- ✓ Monitor your child
- ✓ Contact you if they become more unwell

YOUR CHILD SHOULD STAY AT HOME IF THEY HAVE:

High temperature (fever)

A high temperature is above 38°C.
Children should stay at home with
a high temperature over 38°C.

Vomiting or diarrhoea

Stay off 48 hours after
the last episode

Contagious illness
(as per NHS guidance)

Significantly unwell

OUR APPROACH AT SCHOOL

We expect
children to attend
where possible

We support
children who feel
unwell during
the day

We will contact
parents if a child
becomes more
unwell

We provide a
calm space if
needed

WHY THIS MATTERS

Even one or two
days off can:

- ✓ Impact learning
- ✓ Affect confidence
- ✓ Disrupt routines

Good attendance
helps children to:

- ★ Feel settled
- ★ Build friendships
- ★ Achieve their best

WORKING TOGETHER

We ask parents to:

- ✓ Ensure children attend unless they are genuinely unwell
- ✓ Avoid keeping children off for minor illnesses
- ✓ Contact school if unsure – we are happy to advise
- ✓ Ensure children return promptly once recovered

NOT SURE?
Please speak to us –
we are happy to help.
