

HAVELEY HEY COMMUNITY SCHOOL

BUILDING RESILIENCE, AMBITION AND RESPECT

Get to know your rights!
Article 2: Non-Discrimination
Discuss kindness, fairness, and respecting differences with your child.
Reading books or watching programmes featuring diverse characters can help children appreciate inclusion and equality.

Nurture Principles – tip of the week
Model Calm Problem-Solving
When challenges arise, talk through solutions calmly. Children learn resilience by watching trusted adults manage difficulties positively.

Our news...

This week some of the children in KS1 and 2 celebrated a year of reading with their online reading volunteers from the literacy charity Chapter One. For the whole academic year, Chapter One's corporate volunteers have been paired with pupils to boost their reading. The reading sessions are all online via the special Chapter One reading platform which focuses on developing children's understanding of letters and sounds, their confidence and – most importantly – a love of reading. The children loved meeting their online reading partners in person and received special activity books and certificates to celebrate their achievement! Chapter One also offers a free online library of books for everyone to enjoy. Find out more on their website: chapterone.org

The children in KS1 also enjoyed their Sports Day this week. We are incredibly proud of all the children for the enthusiasm, determination and sportsmanship they showed. Pupils took part in a range of activities and it was fantastic to see so many children joining in, trying their best and enjoying the experience together.

Congratulations to our Children of the Week who have shown they can work together to make lunchtimes calm and fun

Next week, the focus will be on Respect: We use our manners when speaking to all children and adults.

Well done to 6B for the best attendance and 4A for the most improved attendance in school. 4B have won the World cup this week – well done!

Take Over Day will now be on Monday 20th July.

Explore and Nurture Sports Day has been moved to Friday 17th July at 12:30pm when the forecast is cooler.

Good attendance is 96% – please help us to achieve this target by coming to school on time every day.

Please note that holidays in term time cannot be authorised and may result in a fine from the local authority.

UPCOMING EVENTS

July 2026

Year 3 – Nahyan and Freddy
Year 4 – Ellie-May and Abi-Rose
Year 5 – Caleb and Ella
Year 6 – Abigail and Olivia
Explore – Jordan, Nurture – Scarlet, Thrive – Frank

A week in pictures...

Parenting Smart is Place2Be's website full of practical advice and tried and tested tips for parents and carers of primary age children.

This week's topic: Helping your child settle into a new school

Starting primary school and moving on to secondary school are important milestones in a child's life. Both bring new routines, new environments and new expectations, and it's natural for children to feel a mix of excitement and nerves. With gentle preparation and steady reassurance, parents and carers can help children feel more confident as they take these next steps.

This Parenting Smart tip explains how adults can support children during school transitions. It encourages parents and carers to talk openly about the move, visit the new school if possible, and practise the journey together. The article also highlights the importance of building independence, keeping routines predictable, and checking in regularly about how your child is feeling. Offering calm reassurance, listening to their worries and celebrating small achievements can help children settle into their new school with confidence.

Parenting Smart – Online Course

Parents and Carers of 4-11 year olds are invited to join our **free** online course offering extra parenting tools to support children's wellbeing and help them deal with childhood challenges.

These tools are proven to help children manage their emotions better, follow routines and improve relationships with friends and family.

Designed to fit around busy family lives, this 4-week course consists of **8 short online modules of 30 minutes each**, easily accessible from a mobile phone, at any time.

Place2Be Family Practitioners will be on hand throughout your time on the course to guide your learning and answer your questions. You will also have the opportunity to join discussions with other parents and carers from across the UK and learn from each other.

- Free
- No fixed times
- Accessible from any device
- Hear from other parents around the UK
- Place2Be professional on hand to support learning

EVERY DAY COUNTS

Good attendance supports better learning and wellbeing

Good attendance supports better learning,
brighter futures and happy children.

Please
contact us
if unsure –
we're here
to help!

WHEN SHOULD MY CHILD STAY OFF SCHOOL?

At Haveley Hey, we follow NHS guidance on illness.

Children will sometimes be unwell.

However, many minor illnesses do not require time off school.

YOUR CHILD CAN COME TO SCHOOL WITH:

Mild cold or
runny nose

Sore throat

Mild cough

Feeling "a bit under
the weather"

Headache
(unless severe)

In these cases, we will:

- ✓ Monitor your child
- ✓ Contact you if they become more unwell

YOUR CHILD SHOULD STAY AT HOME IF THEY HAVE:

High temperature (fever)

A high temperature is above 38°C.

Children should stay at home with
a high temperature over 38°C.

Vomiting or diarrhoea

Stay off 48 hours after
the last episode

Contagious illness
(as per NHS guidance)

Significantly unwell

OUR APPROACH AT SCHOOL

We expect
children to attend
where possible

We support
children who feel
unwell during
the day

We will contact
parents if a child
becomes more
unwell

We provide a
calm space if
needed

WHY THIS MATTERS

Even one or two
days off can:

- ✓ Impact learning
- ✓ Affect confidence
- ✓ Disrupt routines

Good attendance
helps children to:

- ★ Feel settled
- ★ Build friendships
- ★ Achieve their best

WORKING TOGETHER

We ask parents to:

- ✓ Ensure children attend unless they are genuinely unwell
- ✓ Avoid keeping children off for minor illnesses
- ✓ Contact school if unsure – we are happy to advise
- ✓ Ensure children return promptly once recovered

NOT SURE?
Please speak to us –
we are happy to help.
