

HAVELEY HEY COMMUNITY SCHOOL

BUILDING RESILIENCE, AMBITION AND RESPECT

Week 3 – Have your say!
Family challenge: Ask your child what they think about something that affects family life. It could be what to do at the weekend, what to have for dinner or which film to watch. Really listen to their answer!
Article 12 – Respect for children’s views: Children have the right to have their opinions heard and taken seriously.

Week 3 – Slow and steady
Family challenge: If your child is struggling to learn something new, give them time. Celebrate the small steps rather than expecting them to get it right straight away.
Nurture Principle: Children’s learning is understood developmentally.

UPCOMING EVENTS

5/10		4B Recycling Centre trip
6/10		4A Recycling Centre trip
7/10		Reception family craft afternoon
12/10		Y4 class assembly 9am (parents and carers welcome to attend)
12/10		Parents' and Carers' evening
13/10		Parents' and Carers' evening

Our news...

Thank you for supporting us with our European Day of Languages in school. The children looked great in their colours and enjoyed the learning around school.

Children in Year 2 visited the airport this week to support their learning across the curriculum.

Whilst Year 2 were at the airport, Year 3 visited Red House Farm. They learned about where our food comes from to bring the learning in their Farm to Fork topic to life.

We have also had City of Trees in today working with Year 4 in our outdoor classroom.

Congratulations to our Children of the Week who have shown Resilience: We work as part of a team and are collaborative learners

Next week, the focus will be on Ambition: We try our best in everything that we do.

Well done to 6B for the best attendance and 6A for the most improved attendance in school.

Good attendance is 96% – please help us to achieve this target by coming to school on time every day. If you need any support please speak to our Attendance Lead – Mrs Wallwork or our Family Support Worker – Miss Vasilevska.

Please note that holidays in term time cannot be authorised and may result in a fine from the local authority.

Children of the Week

Congratulations to our Children of the Week

- Reception – Eric and Anthony
- Year 1 – Jad and Toby
- Year 2 – Taysha and Maissa
- Year 3 – Elilla
- Year 4 – Heidiee and Jemima
- Year 5 – Violet and Farhan
- Year 6 – Bonnie Bleu and Dacey Hope
- Explore – Zachary, Nurture – Phoebe

A week in pictures...

This week's Parenting Smart topic includes information about self-harm, which some parents and carers may find sensitive or distressing.

Parenting Smart is Place2Be's website full of practical advice and tried and tested tips for parents and carers of primary age children.

This week's topic: How to help your child if they are self-harming

Discovering that your child may be self-harming can be upsetting and worrying. Self-harm is often a sign of emotional distress and is not anyone's fault. While it is more common in teenagers, self-harming behaviours can begin at a younger age.

This Parenting Smart tip explains how parents and carers can support a child who is self-harming by listening without judgement, showing concern for their feelings, and helping them find healthier ways to cope with difficult emotions. The article highlights the importance of staying connected, seeking professional support when needed, and remembering to look after your own wellbeing too.

Exclusive to schools supported by Place2Be

Parenting Smart – Online Course

Parents and Carers of 4-11 year olds are invited to join our **free** online course offering extra parenting tools to **support children's wellbeing** and help them **deal with childhood challenges**.

These tools are proven to help children manage their emotions better, follow routines and improve relationships with friends and family.

Designed to fit around busy family lives, this 4-week course consists of **8 short online modules of 30 minutes each**, easily accessible from a mobile phone, at any time.

Place2Be Family Practitioners will be on hand throughout your time on the course to guide your learning and **answer your questions**. You will also have the opportunity to join discussions with other parents and carers from across the UK and learn from each other.

- ✓ Free
- ✓ No fixed times
- ✓ Accessible from any device
- ✓ Hear from other parents around the UK
- ✓ Place2Be professional on hand to support learning

EVERY DAY COUNTS

Good attendance supports better learning and wellbeing

Good attendance supports better learning,
brighter futures and happy children.

Please
contact us
if unsure –
we're here
to help!

WHEN SHOULD MY CHILD STAY OFF SCHOOL?

At Haveley Hey, we follow NHS guidance on illness.

Children will sometimes be unwell.

However, many minor illnesses do not require time off school.

YOUR CHILD CAN COME TO SCHOOL WITH:

Mild cold or
runny nose

Sore throat

Mild cough

Feeling "a bit under
the weather"

Headache
(unless severe)

In these cases, we will:

- ✓ Monitor your child
- ✓ Contact you if they become more unwell

YOUR CHILD SHOULD STAY AT HOME IF THEY HAVE:

High temperature (fever)

A high temperature is above 38°C.
Children should stay at home with
a high temperature over 38°C.

Vomiting or diarrhoea

Stay off 48 hours after
the last episode

Contagious illness
(as per NHS guidance)

Significantly unwell

OUR APPROACH AT SCHOOL

We expect
children to attend
where possible

We support
children who feel
unwell during
the day

We will contact
parents if a child
becomes more
unwell

We provide a
calm space if
needed

WHY THIS MATTERS

Even one or two
days off can:

- ✓ Impact learning
- ✓ Affect confidence
- ✓ Disrupt routines

Good attendance
helps children to:

- ★ Feel settled
- ★ Build friendships
- ★ Achieve their best

WORKING TOGETHER

We ask parents to:

- ✓ Ensure children attend unless they are genuinely unwell
- ✓ Avoid keeping children off for minor illnesses
- ✓ Contact school if unsure – we are happy to advise
- ✓ Ensure children return promptly once recovered

NOT SURE?
Please speak to us –
we are happy to help.
