

Curriculum Map

Year 5 Autumn 1

English

We will begin by looking at the book 'The Lion , The Witch and The Wardrobe.

Using this text, we will write our own stories and non-chronological reports based on a new creature.

R.E.

In R.E. this half term, we are looking at Christianity and the Bible. We will learn about the importance of the Bible to Christians and how it is used.

P.E.

Our P.E. days are Tuesdays and Wednesdays.

We will be looking at balances and sequences in gymnastics.

Our second P.E. unit is football.

Maths

We will begin by looking at Place Value and numbers to 1,000,000.

We will then move onto addition, subtraction, multiplication and division.

Geography

In Geography we are learning all about food and where it comes from.

We will look at different biomes and what can be grown in them and how food is transported to different places.

Computing

Our first computing unit looks at search engines and how to use them, as well as developing an understanding of websites and how not everything on the internet is always accurate.

Science

Our science this half term focuses on sustainability.

We will look at how humans contribute to climate change, the consequences and what we can do to prevent it.

D.T.

Linking to our geography, our D.T. topic this half term is creating healthy soup recipes.

We will sample different soups and design and make our own.
