

# Curriculum Map

## Year 4 Autumn 2

### English

We will begin by looking at stories from different cultures, with a focus on the Egyptian Cinderella, and explanation texts.

### Maths

We will begin by looking multiplication and division with a focus on the 6, 7, 9, 11 and 12 times tables.

### Science

Our science focus this half term is sound. We will be looking at how sounds are made, why some sounds are high and some are low, how sound travels through different substances and how we hear.

### R.E

In R.E. this term we will be looking at why Jesus is referred to as 'The light of the world' and how different religions use light as a symbol.

### History

In History we will be learning about the Ancient Egyptians. We will be learning about the Gods and Goddesses, royalty and how the Nile was used.

### Computing

In computing we will be learning how to code with Scratch.

### Art

We will be looking at the artist Friedensreich Hundertwasser's work and using this as inspiration to create spiral patterned bowls with textiles.

### Music

We will be continuing with our Ukulele sessions.

### P.E / Sports

This half term we will be swimming, where the children will be developing their skills and working towards swimming lengths using different strokes, and learning the skills of problem solving through team building activities.
