

Curriculum Map

Year 2 Autumn 2 2023-2024

English

This half term in English we will be looking at, learning and reciting a range of different poetry.

We will also be writing our own fable based on 'The Crow's Tale' by Naomi Howarth.

We will finish the half term by writing a set of instructions on how to make a pizza.

Maths

In Maths, we will continue looking at addition and subtraction, first by subtracting and adding ones then moving onto two digit numbers. We will spend a lot of time focusing on addition and subtraction with exchange, crossing ten. We will finish the half term by looking at properties of 2D and 3D shape.

Science

We will be using the scientific skills of observing and performing simple tests. We will be looking at what humans need to survive. Then we will be suggesting answers to questions about our health and what allows humans to thrive.

RE

This half term we will complete our unit on The Bible. We will then be looking at why the birth of Jesus was good news. We will look at how and why that good news was spread and if it is still good news today.

DT

We have a very exciting DT topic this half term as we research, design and create pizzas. We will start off by researching current pizzas and in particular what makes them good. We will then design our own pizzas based on what we like or dislike. We will then get to the exciting part of creating our own pizzas.

PSHE

In PSHE we will be looking at valuing others and celebrating differences. We will also see how we can combat bullying.

Music

It's Christmas! This half term we will continue to develop our appraisal skills. We will listen to pieces of music and establish what instruments we can hear. We will then learn and practise a range of Christmas songs, ending with a final performance in our Nativity.

Computing

In computing we will continue to build our skills and confidence. We will be using Scratch Jr to look into the world of algorithms. We will be understanding that computers follow a set of instructions called an algorithm.

PE

This half term we will be starting to learn our foundational gymnastics movements of rolls, balance, jump and travelling. We will also be going swimming every Wednesday.
