

Curriculum Map

Year 3 Autumn 2 2023-2024

English

This half term we will be learning what a fable is and their meanings.

Additionally, we will be writing a persuasive letter and learning how to have a debate.

We will continue to focus on our handwriting and punctuation, as well as looking at how we can make our sentences more interesting.

Maths

This half term we will continue with using numbers in addition & subtraction.

Additionally, we will begin to use our multiplication and division knowledge.

We will continue to learn our times tables.

Science

In science we will be revisiting our bodies and how to keep them healthy. What we need to stay alive, a healthy diet, why we need exercise and how we/animals grow.

RE

This half term we will be revisiting

The Christmas Story and the importance of special people.

DT

Links to our Science and we will be tasting and making our own smoothies.

We will be looking at foods groups and how to create a healthy meal.

PE

This half term we will continue to develop our fundamental skills and also .

PSHE

We will be looking at what makes us different and how we can stop feeling left out.

French (MFL)

An exciting half term learning a new language.

We will be learning our greetings, asking simple questions about to find out how someone is feeling,
