

THE LOCAL AREA

This half term, we will be learning about the local area of Padiham. We will look at geographical similarities and differences and will learn to use maps, atlases and globes. We will use simple compass directions (North, South, East and West) and will use fieldwork and observational skills to study the geography of the school and its grounds. Please talk to your child about where they live in relation to other parts and landmarks of Padiham. This would also be a good time for your child to learn their own address.

Landmarks in Padiham;

St. Leonard's Church
Gawthorpe Hall
The Town Hall
The Medical Centre
The Library
Tesco
Lidl
The Fire Station
Memorial Park
The Leisure Centre
