

Curriculum Map

Year 1 Autumn 2 2023-2024

English

We will begin by looking at Bonfire Night poetry and will move on to Stories in Familiar Settings. The children will begin to write their own stories.

We will also take part in daily phonics and guided reading sessions.

Maths

We will explore addition and subtraction within 10 and learn number bonds to 10. We will use various equipment such as part-part-whole and bar models to help with this.

We will also look at 2-D and 3-D shapes.

Religious Education

We will learn about the story of Creation and will look at the Muslim faith and Hinduism. We will also look at the story of The First Christmas, which we will perform as a full Key Stage 1 Nativity.

Science

We will continue to look at seasonal change from Autumn to Winter.

We will also begin to look at sustainability and climate change. We will learn about what causes climate change and what we can do to help.

Geography

We will learn about the local area of Padiham. Please see the knowledge organiser for more information.

P.E.

We will continue to focus on fundamental movement skills – running, hopping, skipping, jumping, throwing a ball under and over, catching, rolling, bouncing and kicking.

PSHE

We will discuss how everybody is different and how we value and respect others.

Music

The children will learn new songs to sing and perform as part of our Nativity show.

D&T

We will design and make moving pictures. We will look at different mechanisms that are used in moving pictures/cards and discuss how effective they are. We will look at how structures can be made more stable.

Computing

We will focus on algorithms and how they are used on digital devices. We will discuss precise instructions and use technology purposefully to create, organise, store, manipulate and retrieve digital content.
