

Curriculum Map

Year 2 Spring 1 2023-2024

English

This half term in English we will be looking at, stories by the same author. We will look at two different stories, 'Bob the Man on the Moon' and, 'Bob and the Moontree Mystery'. We will then write our own mystery.

We will then write an autobiography on Neil Armstrong.

Maths

In Maths, we will look at and calculate with money. The focus will be on recognising money and making the same amounts using different coins.

We will then move on to our multiplication and division unit. We will focus on grouping amounts and adding equal groups. We will focus on the 2, 5 and 10 times tables.

Science

In Science, we will look at the impact that we can have on the environment. We will be looking at sustainability in our school and local area. We will look at the benefits of recycling and what could happen if we don't recycle.

RE

We are focussing on the actions of Jesus this half term and what he taught us. We will look at 'Why did Jesus welcome everyone?' and what we can learn from him and his stories.

DT

Mirrored with our English units. This half term we will be designing and creating moon buggys. We will experiment with a range of different materials before deciding on what to use to make out buggys and then evaluate their effectiveness in transporting Bob across the moon.

PSHE

In PHSE we will be looking at how to keep ourselves safe and why this is important. We will look at what is okay and that we have the right to say, 'no'.

Music

This half term in Music we will be looking at the style of Rock. We will introduce the use of glockenspiels and compose our own music.

Computing

In computing we will look at how to keep ourselves safe online. We may also use the app of StopMotion to record our moonbuggys that we made in DT.

PE

This half term we will be showing our creativity through the movement of dance. We will also continue to develop our basic skills.
