

Curriculum Map

Year 3 Spring 1 2023-2024

English

This half term we will be learning to write our own story based on a theme. Additionally, we will be writing our own fable.

We continue to focus on our handwriting and punctuation, as well as our spelling.

Maths

This half term our focus is on our numbers through multiplication, division and fractions

We will also be learning our timetables 3s, 4s & 8s as well. We will also be problem solving and reasoning with numbers.

Science

We will look at a new topic whereby we will be exploring rocks and their properties

We will continue to develop our working scientifically skills and vocabulary.

RE

This half term our learning will take on a journey to discover the impact Jesus has had on our lives.

Art

Looking at the artist Franz Anthony

An exciting project which will allow the children to examine fossils, draw and then print their own fossil picture.

PE

This half term we will be swimming and continuing with team games and gymnastics

PSHE

Our learning will be looking at how we can keep ourselves and others safe.

ICT

We will be having a lots of fun exploring and making our own videos.

Music

A fun term where we will begin to learn how to play the glockenspiel.
