

Curriculum Map

Year 3 Spring 2 2023-2024

English

This half term we will be exploring understanding, morals and characters by comparing styles and language used to write diaries and fables.

Handwriting and spelling remain a core focus.

Maths

This half term we will continue with using numbers mainly using Fractions and area.

Our time tables continue and we will continue to learn our 3's, 4's and 8's .

Science

We will be investigating and comparing different forces, experimenting with magnets and objects to see how forces change how things move.

RE

This half term we will be exploring The Easter Story . We will be exploring the joy and sadness that this has brought to individuals and the Christian community.

DT

In our DT we will be learning all about levers and linkages by making a moving volcano.

Geography

We will be looking at volcanoes, how and why they erupt. Alongside the effects weather can have on our earth.

ICT

We will be having a lots of fun exploring and making our own videos, as well as revisiting online safety.

PHSE

We will be finishing our safety module and then continuing to look at our rights and respect. This will cover looking at how we earn money, cost of living and our environment

PE

This half term we will be swimming and continuing with team games and gymnastics

French

We will begin to develop our French learning colours and shapes.
