

Curriculum Map

Year R Spring 2 2023-2024

Each half term your child's learning will be linked to a topic. This half term the topic is 'People Who Help Us'. The curriculum map is divided up into the 7 areas of learning in EYFS and R.E. It informs you what your child will be learning over the half term.

Communication and Language

We will be talking about the seasonal changes that we see occurring as we move into Spring. We will also be talking about and answering questions about story characters and events.

Personal, Social and Emotional Development

This half term we will talking about our achievements at school or at home and how we can achieve our goals. We will be celebrating how far we have come from the start of Reception. We talking about how we have our individual strengths and sharing them.

Physical Development

We will be focusing on healthy eating and living. We will trying a selection of healthy foods during snack times, finding out where the foods come from and looking at a globe. We will be practising landing from apparatus and learning some more ball skills.

Literacy

We will be reading Handa's Surprise and Supertato. We will continue our phonics learning of Phase 3 sounds and writing sentences using capital letters and full stops.

Mathematics

We will continue to focus on numbers 0-20, ordering them and finding 1 more/ less. We will be learning number bonds to 10. We will also be working on our addition and subtraction skills. We will be learning how to double and halve numbers to 10.

Understanding the World

We will be observing the changes that occur in Spring. We will discuss Mother's Day and customs surrounding it.

Expressive Arts and Design

We will making crafts by combining resources to make models and cards. In Music, we will be exploring instruments and what sounds they make.

Religious Education

The focus in R.E. this half term is Easter. We will be learning and reading the Easter Story. We will be acting out parts of the story.
