

THE UNITED KINGDOM

KNOWLEDGE ORGANISER

Year1

Spring 2

This half term, we will be comparing where we live to other parts of the world. We will be using maps, atlases and globes and will learn about the equator and the North and South Pole. We will also look at seasonal change as we move into Spring. PE will continue to be on Monday and Tuesday. Please send your child into school with a full water bottle each day and complete home reading and record in your child's reading record. Please feel free to email Mrs Morton with any queries year1@padihamgreen.lancs.sch.uk.

Seasonal Changes - Spring and Summer

Year 1

Key Vocabulary	
seasons	In places like the UK, there are four seasons each year, autumn, winter, spring and summer .
spring	In spring , the weather starts to get warmer. The leaves begin to grow on the trees and some trees may blossom (have flowers). Plants begin to grow and you may see baby animals like lambs around. The daytimes start to get longer.
summer	In summer , the weather gets hotter. The daytime is long and the nights are short. Summer has the longest days. The trees are full of leaves and there are lots of flowers, bees, butterflies and other insects.
weather	The weather includes the temperature outside, the wind direction and strength, as well as rain, cloud, snow and sun.
daylight	Daylight is when it is light outside. The amount of daylight changes with each season .

Daylight hours each month:

Month	Sept	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	June	July	Aug
Hours of Daylight	13	11	9	8	8	10	12	14	15	16	16	14
