

Curriculum Map

Year 3 Autumn 1 2025-2026

English

This half term we will be focusing on the story of **Paddington Bear** by **Michael Bond**.

Handwriting and spelling remain a core focus.

Maths

This half term our focus is on numbers through place value up to 1000.

We will also be learning our 2's, 5's & 10's times tables. We will begin to look at problem solving and reasoning with numbers.

R.E

This half term we will be learning about Harvest across the world.

We will also look at Prophets and what it means to be 'called by God'

Science

We will be looking at light and shadows using our scientific skills of exploration, prediction and assessment.

Geography

Children will learn field work skills in the local environment. Children will learn the 8 points of the compass building on from year 2 to follow directions and orientate a map.

They will create a map of the parts of the school using North as a starting point.

P.E

This half term Class 3 will be learning about net and wall games such as tennis.

Music

The children will be exploring rhythmic patterns. With activities designed to get everyone up and moving, the children will learn to identify rhythms and play them using body percussion, instruments and plastic cups! They will explore call-and-response techniques used in a range of songs and have fun creating their own call-and-response .

Art

Looking at the artist Andy Warhol.

We will be sketching self portraits and then creating digital art to mirror our own ideas..

Computing

We will be having a lots of fun exploring the components of what makes a network.
