

# Year 3 Knowledge Organiser - Autumn 1

Our focus in Science will be shadows and light, which will also link to our work within art, as we look at digital media. In Geography, we will be looking at where we live and will learn fieldwork skills in the local environment.

## Key vocabulary and definitions

- **see**  
Perceive with the eyes.
- **light**  
The natural agent that makes things visible.
- **torch**  
A portable lamp.
