

# Year R People Who Help Us

This term, children will be learning about a range of different occupations and what these jobs involve. We will explore the people who help us in our everyday lives, at home, in school, and within the wider community.

A key focus will be on keeping ourselves safe. Children will learn who they can ask for help and how to stay safe in different situations. This includes road safety, where we will follow the *Right Start Child Pedestrian Training* programme to practise crossing the road safely.

We will also introduce age-appropriate e-safety lessons to help children understand how to stay safe when using technology.
