

# Year 2 Spring 2 Knowledge Organiser

*In Geography this half term we will learn:*

*The names of the seven continents and five oceans.*

*The location of the continents and oceans by using atlases and maps.*

*That the equator is an invisible line across the middle of the world.*

*The North Pole is at the top of the world and the South Pole is at the bottom.*

*Countries near to the equator have a tropical climate and they get cooler as you move away from the equator.*

*In Science this half term we will learn:*

*To know how plants grow from seeds and bulbs.*

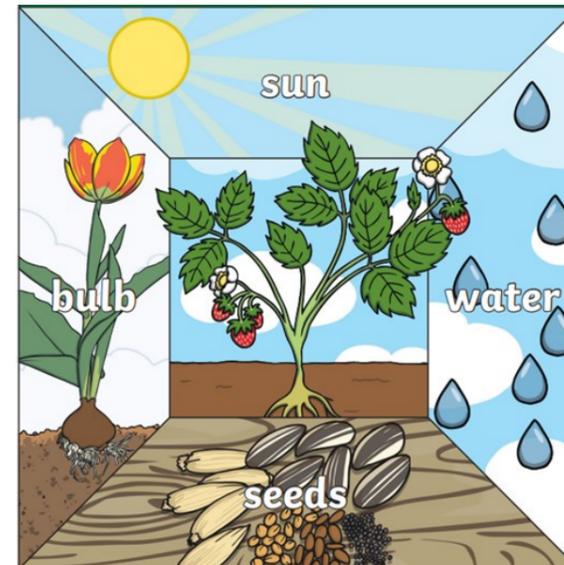

*To understand living plants need water, light and a suitable temperature to grow to be healthy.*

*To take part in experiments to observe living plants*

*To explore annual and perennial plants at forest school*

## Key Vocabulary

*equator  
North Pole  
South Pole  
continent  
ocean  
climate  
tropical*

## Key Vocabulary

*leaves  
root  
bud  
flowers  
petals  
stem  
temperature  
germination  
bulb*

## Key Vocabulary

*template  
felt  
appliqué  
sewing  
running stitch*

*In D&T this half term we will learn:*

*How to investigate and evaluate existing puppets and explore different fabrics and joining techniques that have been used to make them. We will have the opportunity to practise different joining techniques including running stitch, before designing and making our own hand puppet based on our favourite character from the book we have been reading in English.*
