

Spelling Shed

At Woodlands, we are very excited to invite you to use 'Spelling Shed' as part of your school work and home work. No more look, cover, spell, check sheets! They have been replaced with fun, exciting and online games to practise as much as you wish!

The Spelling Shed helps you to practise your spelling via simple games. Each game gives four different degrees of support in the form of difficulty modes; Easy, Medium, Hard and Extreme. Higher levels allow a higher score to be achieved, but you can practise as much as they like on lower levels before trying to gain high scores. The scores achieved give a league position and each class has its own league position within a school league. Certificates of achievement will be given weekly. Spelling Shed also allows for homework and whole-class "Hive" games as a more interactive form of a spelling test. Your child's teacher will set lists of words that your child should practise and will monitor their progress.

Your child should have received their login information today, meaning they can access our online game via <https://play.spellingshed.com>.

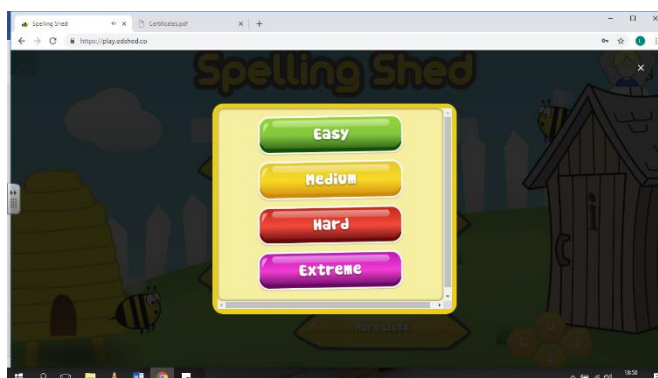

Entering your username and password.

All children have the same password.

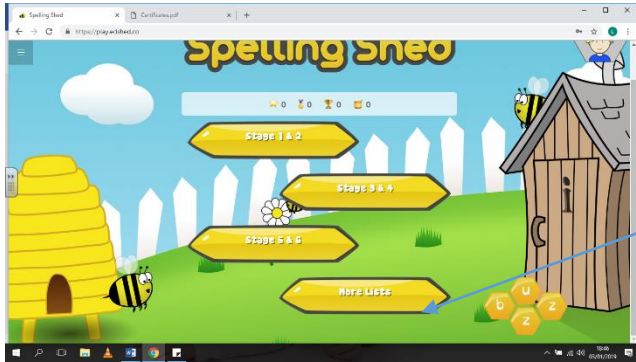

Password: Woodlandspss

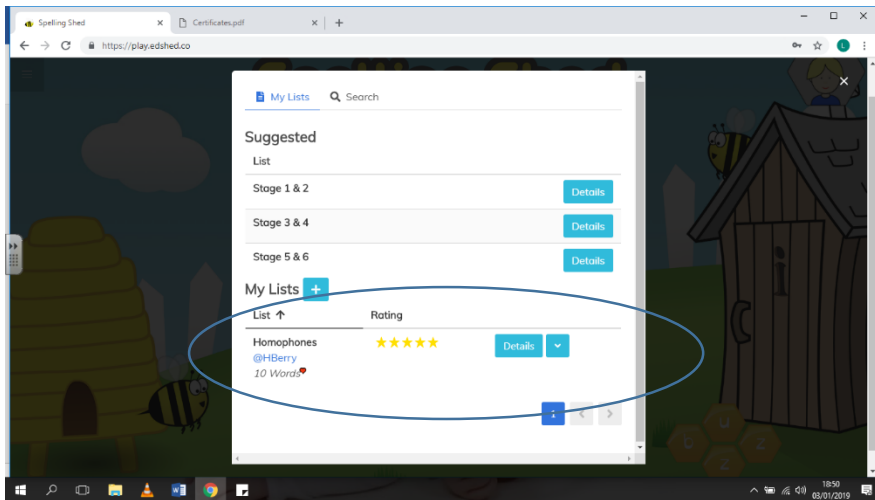

The stages correlate to your year group. For example stage 3 & 4 allows you to practise the year 3/4 word list outlined in the national curriculum. Many of you have these lists in the front and back of your homework books.

You can begin with spellings in your comfort zone, but you can challenge yourself within your year group.

On a Friday, you should click here to find your spelling homework for the week. Your teacher will have set you some spellings to practice.

Your weekly spelling are found here. These are the spellings you will focus on in the following week. If you click on details, it will list the words for you to practice. If you click the green play arrow, it will put your weekly spelling words into a game.

Your teacher will be able to show you your class league table. It monitors how much effort you put into practicing your spelling lists and weekly homework. Practise, practise, practise!

You could receive a certificate for your spelling shed achievements!

Note for Parents/carers: There is a spelling shed app which you can buy from App stores at a cost of £2.99. However this is not necessary as you can use the web address in your search engine to play.

We are very excited about spelling shed and hope you enjoy practising those tricky words!

Have Fun :o)
