## NEW START

John the Baptist is one of the best known saints. He never pushed himself forward. He encouraged his own followers to leave him and become followers of Jesus. His life (and death) witnessed to the truth about Jesus and, because of him, many people came to know and follow Jesus.

Dear Lord Jesus, please help us to be your *witnesses* by our love, so that others will come to know the joy of knowing you. Amen.

## SPOTLIGHT ON LEARNING

### RECEPTION CLASS

Reception Class are always busy with their learning but particularly this week. They have started their 'Real Superhero' topic and enjoyed a visit from a Firefighter. The children asked lots of questions about their role and what they have to do in this job. They are looking forward to more real superhero visits over the next few weeks.

There was also a very exciting visit from Chorley Sports Partnership who brought the balance bikes for the children to have a go on. This is to help select those able to take part in the schools Balance Bike competition in February.

*We work, learn and grow together in God's love*

# Band Lessons At Your Child's School!

**iRock**

Dear Parents/Guardians,

Exciting News! Rock and Pop band lessons may be starting at your school soon!

**What is iRock?** At iRock, children experience the thrill of being in a band! Led by our passionate and professional Band Coaches, our weekly in-school band sessions are open to all pupils from Reception to Year 6.

**Music for all** iRock aims to create a welcoming and inclusive environment where every child feels they belong. Each week, children develop their musical skills, confidence, and teamwork as they work towards exam-free music qualifications —celebrating progress without the pressure of formal exams.

**Feel like a rockstar!** The excitement culminates every term in a live concert where children perform as a band for their families and peers. These performances are more than just a showcase—they're an opportunity for children to build self-esteem, enhance their confidence, and experience the joy of accomplishment.

iRock isn't just about music; it's about helping children thrive cognitively, socially, and academically through the power of music.
