END OF SCHOOL YEAR

As we come to the end of another school year, it is a time to reflect and thank you all for the support you give to your children and to everyone here at St Joseph's. Together, we make our school a wonderful place to be, and I am very proud of all that we have accomplished throughout the year.

We continue to move forward in ensuring that our children have the very best opportunities possible through access to modern resources and an inspiring learning environment. Coupled with our high expectations of behaviour and academic achievement, this helps to create the positive learning culture and strong relationships that are at the heart of our school community.

My sincere thanks go to our governors and staff for their unwavering hard work, commitment and dedication. It is a privilege to serve the children and families of St Joseph's as Headteacher, and I look forward to another school year filled with exciting opportunities and continued success. I wish you all a happy, relaxing and safe summer holiday.

Kathryn Berry

PTFA

We offer our great thanks to Gerry and Jackie who are stepping down as PTFA Chair and Vice-Chair. The commitment and support they have given has been amazing and contributed to huge amounts of money raised for school.

Any volunteers to step into their places would be very much appreciated for the Autumn term.

RESULTS

We are delighted to share the Key Stage Two SATs assessment results with you for 2026 and are very proud of the hard work and effort that the pupils have given this year.

		Achieved Standard	Higher Standard
Spelling, Punctuation and Grammar	School	88%	58%
	National	73	30
Reading	School	100%	31%

MOBILE PHONES

From September, only pupils in **Year Six** who are **walking home** will be permitted to bring mobile phones to school. This does not include walking to the church car park or the Co-op. If a pupil is walking home parents / carers will sign a permission form available from the office in September and phones will be handed into class and stored away safely until the end of the day. <https://www.smartphonefreechildhood.org/> Please see this website for further information on supporting your child.

Free School Meals – Who is Entitled?

Important Information for Families.

Firstly, if your child is already receiving Free School Meals and is in Years 3–11, there is nothing you need to do. The Local Authority already holds your information and will automatically check your child's eligibility ahead of their return to school in September 2026.

If your child is in Key Stage 1 (Reception to Year 2), they will already have been receiving a free school meal through the universal infant scheme. If you have previously completed a Free School Meal application, so that your child's school can access additional funding, your eligibility will also be automatically checked—so again, you do not need to take any action.

If your child has not been receiving a free school meal and you believe your they may be eligible please read the information below.

From September 2026, the Government is extending eligibility for Free School Meals. This means that more families may now qualify for support, even if they have not previously been eligible.

What this means for you

- If your household income is lower, your child may now be entitled to free school meals at school
- Schools receive additional funding (known as Pupil Premium) for every eligible child, which is used to support learning, resources and enrichment opportunities
- Even if your child prefers a packed lunch, applying can still bring valuable benefits to both your child and the school

What you need to do

- If you think you may now be eligible, we strongly encourage you to submit an application before the start of the academic year.
- Applications are quick, confidential and securely processed
- If your child is already receiving Free School Meals, you **do not need to reapply**

Why it's important to apply

- Ensures your child receives all the support they are entitled to
- Helps the school access additional funding to support pupils
- May provide access to further support, such as help with trips or activities

If you would like further information or support with your application, please contact the school office.

We encourage all families to take a few minutes to check their eligibility — this support can make a real difference.
