SCHOOL BLOG

This week, we marked Remembrance Day with a special whole-school assembly. Our House Captains wrote and confidently read their own thoughtful poems, while children in Year 2 and Year 5 visited the Cenotaph in Doncaster to share poems and pay their respects. Across school, children observed a minute's silence, demonstrating our Town Field value of Respect. We have also been incredibly proud of the many children who created their own remembrance poems at home and brought them into school, showing a real depth of understanding, care and reflection.

Today, Year 3 are enjoying a fantastic Stone Age Day, immersing themselves in history through a range of hands-on activities. They have been making paint from charcoal, creating cave art, building mini henges, exploring wattle and daub construction, and investigating both replica and real artefacts.

Thank you to the parents who attended our recent social media workshop. Lots of important messages were shared, helping us work together to keep children safe online. Finally, thank you for your generous support of Children in Need today we have raised £138.87p so far for this wonderful charity. Children took part in a special assembly to learn more about the charity and the important work it does, and we are very grateful for your contributions and continued support.
