

Daily home learning ideas for Badger Class

- o Read your school reading books every day – can you use sentences to describe the pictures. Learn new words as you talk together.
- o Can you spot keywords in the text?
- o Use the sounds sheets in your book bag to match together.
- o Play eye spy and Simon says to develop great listening skills.
- o Share story and information books together, hedgehogs just love listening to stories.
- o Can you count to 10 every day?
- o Can you go on a shape, colour or number hunt around your house and see which shapes or numbers you can find? Can you name a rainbow from the different coloured things you find?
- o Can you put objects in size order and talk about the language of size; small, smaller, bigger, huge etc.
- o Can you play games together and complete jigsaw puzzles?
- o What can you draw?
- o Can you practise writing your name – some of those letters are tricky.
- o Can you build a den? You could eat lunch camped out in your den.
- o Please teach your children to put their coat on and zip it up, you could have a race to see who can do it fastest.
- o Make and use playdough to make your fingers nice and strong.
- o Do some baking together talk about all the ingredients.
- o Can you do a little act of kindness to make someone happy.
