

YEAR 6-SPRING 1

Here are some highlights of what we will be covering in Spring 1

ENGLISH

In English, we will be focusing on our independent writing across a variety of units. In our Older Literature unit we will be studying Macbeth!

MATHS

We will be continuously consolidating our Arithmetic, Reasoning & Four Operations in addition to our units of Algebra and Fractions, Decimals & Percentages!

GEOGRAPHY

Our focus will be the question of 'Where does our energy come from?' about various energy sources, distinguishing between renewable and non-renewable types.

SCIENCE

Our unit will explore Electricity. We will make circuits to solve particular problems and carry out fair tests, exploring changes in circuits.

COMPUTING

We will learn about programming, focusing on variables in games. We will explore the concept of variables in programming through games in Scratch.

ART

'Making my voice heard' explore how artists convey messages using visual language, symbols, and techniques like graffiti, collage, and printmaking, developing their own style to express ideas.

PE

Our two lessons per week in PE will focus on Hockey & Yoga.

PSHE

We will be launching 'My Happy Mind' and across our PSHE sessions we will focus on emotional needs & staying safe online.

French, RE & Music will also be taught throughout this half term in addition to boosting and intervention for all pupils. Anything you need or any questions you have - please message me via Class Dojo.
