### Curriculum Menu

If you would like to, please choose one of the following to complete each week (you can do them in any order!)

1. **PSHE – Media bias – Can you create a poster about how to spot ‘media bias’ across all forms of media?**
2. **History – Research an ‘evacuee’ and their journey. This could be a family member, family friend or someone online! Ask – where did they go? Why did they go?**
3. **DT – Create your own waistcoat (or something similar) for a teddy at home. For example, a hat, jacket, outfit... your choice!**
4. **Computing – Create a spreadsheet using excel on a laptop or phone – try to find and use some codes that will help when inputting your data!**
5. **P.E. – Create a dance (like just dance!) and send it to me via Dojo. We will do it one morning as a class!**
6. **Science – Living things and their habitats – choose any living thing and create a fact file about them including their habitat.**
