

YEAR 6-SUMMER 1

Here are some highlights of what we will be covering in Summer 1:

ENGLISH

In English, we will be focusing on our independent writing with a key focus on a unit based on *Wonder* by RJ Palacio. A novel based on a true story which is very inspiring!

MATHS

We will be continuously consolidating our Arithmetic, Reasoning & Four Operations in addition to our unit of Statistics, Shape & Position & Direction.

GEOGRAPHY

Our focus will be a local Geography study based on Penwortham. We will explore our local area and compare it to others towns and cities.

SCIENCE

Our unit will explore Light focusing on how light travels whilst exploring shadows and refraction. Lots of practical activities to look forward to!

COMPUTING

Our computing sessions will focus on creating media using a variety of sites and applications.

ART

Our aim is to develop our painting and mixed media styles by focusing on a different artist each way and aiming to portray their style during the lesson.

PE

Our two lessons per week in PE will focus on Netball & Dance.

PSHE

We will be continuing with 'My Happy Mind' and across our PSHE sessions we will focus on aspirations and goal setting in addition to managing risk & the 5 ways to wellbeing.

Anything you need or any questions you have - please message me via Class Dojo.
