

Moving from Year 3 to Year 4

When I come back to school
after the summer holidays, I
will be in Year 4.

I will have a new classroom.

My new teacher is
Mr Noblet

He is also Assistant
Headteacher of the
school.

I will come into school through the same door I used in Year 3.

I will walk through the Year 3 classroom to Year 4.

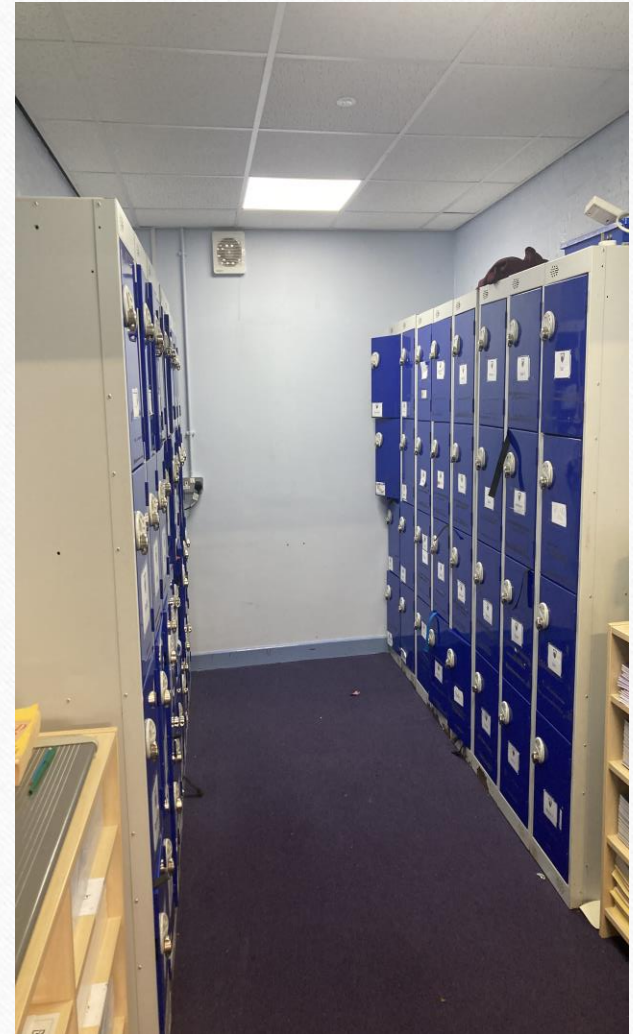

I will walk through the Year 3 corridor and through to my classroom.

A day in Year 4 is just like a day in Year 3.

When I come into the classroom, I will
put my coat and bag in my own locker.

I will get out my water bottle and put in
on the trolley.

The Timetable

Morning

Morning work

Maths – Break – Spellings - English

Afternoon

All the other subjects!

History, Geography, Art, Science, DT, RE PSHE, Music and PE

Our weekly timetable will stay the same for the half term.

Our visual timetable will change each day in class.

At 3pm each day we will go to assembly.

I will use the Year 3,4 and
5 bathroom.

This is the same
bathroom I used in Year 3.

I will use this bathroom at
lunchtimes too.

At 12 it is lunch time.

I will leave Year 4 and go outside until 12.30.

I will then come into the lunch hall, get my lunch, sit down and eat it calmly.

When I am finished, I can then go outside.

This is the website with all the information
about Year 4!

Penwortham Primary School: Headteacher
Welcome

On here you will find a timetable for the
week and a curriculum overview for the
half term.
