HEADTEACHER'S MESSAGE...

Dear Parents and Carers,

As we approach the final week of this half-term, I continue to feel incredibly proud of our children, our dedicated staff and the fantastic school community we are so fortunate to have.

Firstly, a huge thank you to all the parents and carers who joined us for our Learning in Action morning today. It was lovely to welcome so many of you into our classrooms and give you the opportunity to see the wonderful learning taking place every day. The children were so excited to share their work, their classrooms and their achievements with you. We know how busy family life can be, so we are genuinely grateful that you took the time to join us. Building strong relationships between home and school is so important, and opportunities like these really do make a difference.

I would also like to say an enormous thank you to our absolutely amazing PTFA for organising such a fantastic Autumn Disco last night! What a brilliant evening filled with music, dancing, laughter and lots of very happy children! Events like these take so much time, effort and organisation behind the scenes, and we are incredibly lucky to have such a dedicated group of parents who give their time so generously to make special memories for our children. A special mention must also go to DJ Mr Noblet, who certainly kept the tunes coming and the dance floor buzzing! Thank you to our staff who supported the evening and, of course, to all the families who came along.

It has also been lovely to see so many other special moments across school, from our Year 1 and Year 2 Reading Café and Year 4's wonderful Harvest Assembly to our celebrations of Black History Month and Mental Health Week. Each of these experiences reminds us that education is about so much more than what happens in lessons. It is about helping children develop confidence, kindness, curiosity and a real sense of belonging.

I would also like to say a heartfelt thank you to everyone who has so kindly donated items for my upcoming trip to The Gambia over half-term. Your generosity and thoughtfulness have been truly overwhelming, and I am incredibly grateful. Knowing that our school community is helping to make a difference to the lives of children and families so far away is very special. I look forward to sharing some of my experiences with you all when I return.

As always, thank you for your continued kindness, encouragement and support. We are so proud of the community we have built together, where our children are encouraged to Aspire, Belong, Care and Discover every single day. Wishing you all a lovely weekend, and I look forward to seeing everyone for our final week before the half-term break.

Warmest wishes,
Miss Penarski

A huge thank you to all of the families who joined us for our Year 1 & Year 2 Reading Café. The children loved sharing stories with their special guests and spending time reading together. We are incredibly grateful for your continued support in helping to foster a love of reading both at home and in school.

Honouring Our Communities: Celebrating Black History Month 2026

We came together for a special assembly to celebrate **Black History Month 2026**. The theme, **"Honouring Our Communities,"** encouraged children to reflect on the people, stories and achievements that have helped shape our communities both locally and globally.

Throughout the assembly, pupils learned about inspirational artists, athletes, leaders and community heroes whose courage, determination and kindness have made a positive difference in society. They explored the achievements of individuals who have broken barriers, challenged inequality and inspired others to follow their dreams.

Children were particularly interested in learning about local history through the story of **Bamber Bridge** and discovering the important role of **The Harris Museum**, Preston, in celebrating the rich and diverse histories that make up Lancashire. These discussions helped pupils understand how communities grow stronger when people work together with respect and understanding.

The assembly also provided an opportunity to celebrate the diversity within our own school community. Pupils reflected on our core values of Belonging, Kindness, Respect, Courage, Equality, Aspiration and Community, discussing how these values help everyone feel welcomed, valued and included.

We ended by listening to the beautiful poem "We All Belong," which reminded us that every voice matters, every story deserves to be heard and every child has a place within our community. It was a powerful message that linked perfectly to our commitment to learning together, growing together and celebrating one another.

As a school, we are proud to honour the past, celebrate the present and inspire the future, ensuring that every child knows they belong and can make a positive difference in the world around them. ❤️🖤🟡🟢

Respecting the Past • Celebrating the Present • Inspiring the Future

☀️ Year 6 at Preston North End!

Year 6 had a fantastic visit to Deepdale for a Show Racism the Red Card workshop.

The children took part in a range of activities exploring racism, respect, equality and inclusion, and discussed the importance of standing up for others.

They also had the opportunity to explore Deepdale, including the changing rooms and stands, before enjoying a Q&A with some of the players and meeting them for photos and autographs! 📷⚽

MENTAL HEALTH WEEK - YELLOW DAY

Last week we had an assembly for Mental Health Week called 'Everyone has Feelings, Everyone Belongs'.

Children learnt about all the emotions you might feel throughout the day and how we express them. We all thought of lots of ideas of how we can feel like we belong at Penwortham Primary School, such as feeling listened to, included, respecting differences and being kind towards others.

We ended the week with Hello Yellow Day! Everyone dressed in yellow, and each class did activities to encourage talking about our feelings, acts of kindness and self-care. Thank you to everyone for being a part of this amazing week in school.

Year 3 Sustainability Update

This week, Year 3 have been learning about sustainability and discussing how small changes can make a big difference to our environment. As part of our learning, we explored the benefits of using reusable water bottles and lunch containers to reduce waste and help protect our planet.

The children shared thoughtful ideas about how we can all make more sustainable choices at school and at home. They understood that reusing items helps to reduce the amount of rubbish sent to landfill and conserves valuable resources for the future.

We are excited that the Three Rs: Reduce, Reuse and Recycle will be explored further by our newly formed Eco Committee, who will help lead environmental initiatives across the school.

We are also delighted to celebrate our Platinum Eco Green Flag achievement, and look forward to seeing this success recognised in the Lancashire newspaper. This is a wonderful reflection of the commitment shown by our pupils, staff and wider school community in caring for our environment.

Together, we are making a positive difference, one sustainable step at a time.   

Superstars of the Harvest!

Wow, Year Four!
What a fantastic
Harvest Assembly!
We are so proud of
the confidence and
enthusiasm the
children showed when
presenting today.
It was wonderful to
welcome so many
parents and families.
Thank you for joining
us and supporting the
children. A very proud
moment for Year
Four! ❤️ 🌾

Look who came to visit 🦆⚽

We had a very special visitor to our assembly on Thursday!

Abi from the PNEFC Community Team.... **And Deepdale Duck!!!** 🦆

He challenged pupils (and staff!) to rock paper scissors, a dance off and a talent show!!

They were here promoting their PNE half term soccer school which you can find more information about here:

<https://www.pnefc.net/pnecet/soccer-school-activity-zone>

We love working closely with PNE and we plan to do more events with them throughout the year!

🐔 Meet Astro & Luna! 🚀🌙

Our school chickens have officially been named! A big welcome to Astro and Luna. We think their names are absolutely out of this world! ✨

The children are really enjoying having our feathered friends as part of school life, and we're looking forward to lots more adventures with Astro and Luna. 💙🐔

TOUGH MUDDER CHALLENGE

We are extremely proud of Devyan in Year 6 and his teammates who took on the Tough Mudder Challenge to raise money for Oddballs in memory of his father, Amit, honouring his legacy through their incredible effort and determination. A huge well done!
