Welcome to Year Two!

This presentation will provide key information regarding your child's new year group. We hope you will find this useful and please know that we are here to answer any questions you may have too.

'Be who God wants you to be and so set the world on fire' – Saint Catherine of Siena

Meet The Team

Teachers:

Mrs Short: Class 5

Mrs. Flood: Class 6

Teaching Assistants: Mrs Langshaw **Additional support staff:** Miss Overbury

Note: teaching assistants may be working within other year groups too, as well as with specific individual/groups of pupils.

We are always happy to answer any questions you may have.

If you wish to speak to your child's class teacher, please contact the office on 0161 445 6359 or admin@st-catherines.manchester.sch.uk

Expectations

We have high expectations and aspirations for all of our children and expect them to show our school's core values throughout the school day, as well as outside of school.

We expect our children to arrive at school on time with a positive attitude to learning, trying their best in all aspects of their work. We aim to inspire them to 'set the world on fire' by being who God wants them to be.

Our Core Values

These core values have been drawn up by our Chaplaincy Team in consultation with the whole school community. We want all our children to demonstrate:

Love

Faith

Respect

Perseverance

Compassion

Inspiration

Rights Respecting School

In Rights Respecting Schools, children's rights are promoted and realised, adults and children work towards this goal together.

Being a Rights Respecting school develops the 'whole self' of each child and underpins everything else we do in school.

Duty bearers are the adults and staff responsible for upholding the 42 articles of the United Nations Convention on the Rights of a Child, (UNCRC) which are a set of rights for children.

These duty bearers have an obligation to ensure these rights are respected and promoted, embedding them into the school's ethos, policies, and everyday practices.

You may have seen some of the articles on display in and around school!

Class Charters

Every class has a Class Charter.

This is a class agreement, where certain articles have been chosen by children as guidelines towards expectations for the year.

Year Two – History & Geography

At St. Catherine's, our Geography and History lessons combine sticky knowledge and conceptual understanding together into specific topics to help to make learning as purposeful and enjoyable as possible.

In Year Two, our topics are:

- The Great fire of London
- The UK vs Australia
- 'Women who changed the world'
- Seven continents and five oceans

For each unit of learning, we start with a 'launch day'. This is a fun and exciting way to engage children in their new learning. You may sometimes receive emails about this as it may involve dressing up, food tasting, school trips, visits, etc.

School Uniform

- Burgundy jumpers and cardigans with school logo on
- White shirt or polo shirt
- Black school shoes (not trainers) to be worn
- No jewellery, including earrings
- Juniors can wear shirt and tie (optional)
- Shoulder-length hair and longer must be tied up
- Plain accessories
- P.E. kits should be worn on P.E. days (see next slide)

It is important that the correct uniform, including school shoes, is worn to school each day.

****Please label all items of clothing and all belongings****

Uniform is available from MCS Stores or Goodies Online, via the school website. If you are struggling to afford school uniform, please speak to a member of our admin team or a senior leader to see how we can help.

School Uniform

P.E. Kit:

- White plain T-shirt (tshirt with school logo available), burgundy shorts
- Please ensure all items of clothing are labelled.
- In colder weather, children can wear **PLAIN** black/navy jogging bottoms/leggings with their school jumper or cardigan on top of their P.E. t-shirt.

P.E. will take place twice a week, usually with one indoor and one outdoor session. On the days where children do not have P.E. lessons, they will take part in the 'Daily Dash'. This encourages children to improve their fitness and exercise daily. Therefore, school shoes will preferably not be slip-on because they may fall off when children are running.

P.E. days generally change every half-term.

Year Two P.E. days this half-term: Tuesday and Friday

Children must wear their school P.E. kit into school on these days

Drop-Off and Pick-Up

We ask that children say goodbye to their parents on the school playground and then walk into their classrooms independently. Children must be in class by 8.45am.

If your child arrives to school after this time, you must take them to the school office so that they can be registered.

Children should be picked up from the playground at 3.15pm once all children are lined up. Please don't take your child as they are walking to the line.

Punctuality is very important and learning starts straight away so please ensure your child arrives to school on time.

Drop-off time: 8.35-8.45am

Pick-up time: 3.15pm

Healthy Schools

- Water bottles should be brought into class each morning (plain, unflavoured water in a reusable water bottle) and taken home at the end of each day
- Healthy snacks: must be fruit or vegetables or breadsticks (not fruit bars, fruit winders, cereal bars etc)
- In Early Years and KS1, a healthy snack is provided for all children
- We encourage children to eat healthy lunches
- Birthdays – we ask that you please do not send children in with sweets/cakes etc (allergies within the year group). A class game or book would be greatly appreciated instead if you wish to make a donation.
- We also have healthy school meals provided through Dolce.

Reading in Year Two

Key Stage Reading Guidance

At the start of the year your child's reading will be assessed and they will be assigned an appropriate reading band colour. They will be given a card which matches this colour and gives suggestions for questions which you can ask your child when you listen to them read.

Comprehension is an essential part of reading so please remember to ask them lots of questions about the story and invite them to retell the story in their own words.

Children are listened to during guided reading and when feasible they will read with an adult individually.

‘Reading is to the mind
what exercise is to the
body.’

Home Reading

Your child is expected to read for at least 10 minutes, five times a week. However, they are not limited to five times as we would like them to read as often as possible to develop a real love for books and take pleasure in exploring different types of books.

Please ignore the days of the week headings and see it as five opportunities to read.

This is to be recorded in their reading records each time they read.

When you record what your child has read, please include the following:

- ✓ The date they have read on.
- ✓ The name of the book they have read.
- ✓ The pages that they have read that day.
- ✓ A couple of sentences about what you have noticed or how they have read.

When you read with your child, please question them on what they have read, ask them lots of questions about the story as

this develops their comprehension and understanding.

The frequency at which children change their books will be set by teachers and will vary throughout the year, as well as being dependent on book length.

Please note that reading records need to be signed and filled in for reading books to be changed.

‘I do believe something very magical can happen when you read a book.’

Reading & Phonics

Our school phonics scheme is called Essential Letters & Sounds.

Getting all children to read well, **quickly**

Essential Letters and Sounds is specifically taught in Nursery, Reception and Year 1, however, some children continue to receive phonics interventions after this time to ensure a secure basis for reading fluently and accurately. Year 2 follow the ELS Spelling programme and as of this year, Years 3-6 follow Essential Spelling & Word Knowledge, both of which have been designed to support learning as a next step after children have completed their phonics learning.

Essential Letters and Sounds is a Systematic Synthetic Phonics (SSP) programme, **validated by the Department for Education**. By distilling Letters and Sounds to its purest form, – its essence – we ensure every phonics lesson is taught to the highest standard. Essential Letters and Sounds is an SSP where only the **essential elements** are included. The name reflects the key principles of the programme; **simplicity and consistency**.

Homework

	Nursery	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Home Reading	After Christmas, children can choose a storybook to read at home with an adult to promote reading for pleasure.	Five times a week (at least 10 minutes per time) It is also important that children read for pleasure; this may include a library book from school or other reading. You may also enjoy a bedtime story or read often to your children. Listening to an adult read is just as valuable to your child as them reading to you.

Homework collected in			Monday	Wednesday	Wednesday	Wednesday	Wednesday	Wednesday
Spellings			Phonics task (from November) <i>Half-termly overview of phonics sounds taught will be sent to parents too for further practice and consolidation at home.</i>	Half-termly spelling overviews are sent out to parents to show spelling patterns being learnt in school. We ask that children then practise these spelling rules further at home to consolidate their knowledge.

Rewards and Sanctions

Core value points:

Children can earn 5 or 10 core value points and can also be placed 'on the shining light' for wonderful learning, behaviour, attitude, showing of core values, etc (this is also equivalent to 15 core value points).

Core Value Point group totals are celebrated each week and term in school.

Negative behaviour can result in moving down the candle until the child has reflected and improved their behaviour. If a more serious incident takes place, this may be recorded as a 'red card event' and parents/carers will be informed.

Attendance and Punctuality

Going to school regularly is important to your child's future. You are legally responsible for making sure they attend every day.

Holidays during school time are not permitted.

The Local Authority are likely to take statutory action regarding any unauthorised absences, including for term-time holidays (see national attendance changes from August 2024).

Children who miss school frequently can fall behind.

Children who miss school frequently can have difficulties with friendship groups.

When a child misses 10 days from school, they have missed out on 5% of their education that school year. Our attendance target is 97%.

We do our absolute best to provide your children with a fantastic education and an enjoyable time in school but we can only do this if your child is present.

Year Two Information

- KS1 SATS - (non-statutory in May 2026)
- Phonics screening - repeats take place in June.
- Christmas production - TBC
- Communication - end of the day is best or contact the office to arrange a meeting/phone call.
- Organisation for school - water bottle, coat and reading book.
- Uniform must be clearly labelled.
- Spare clothes to be left in your child's bag.
- Pick up at the end of the day must be from the assigned area.

Medical and Health Information

It is important we are kept up to date with any medical information relating to your child.

Asthma

Your child will need a new asthma plan for this year.
Please email your asthma plan to the school office ASAP.

Allergies

Please remember we are a nut free school.
We have some children with severe allergies.

If your child has any allergies or health concerns that we are not already aware of, please contact the school office ASAP.

Special Educational Needs and Disabilities

We have two special educational needs and disabilities coordinators (SENDCO) in school:

Mrs McCormick (Nursery, Reception and Year 1)

Ms Rosario (Years 2-6)

If you have concerns regarding your child's progress or think they may have a special educational need or disability, please speak to your child's class teacher or alternatively, email the school office to request a call or meeting with one of our SENDCOs.

Communication

Each Friday, a 'Parent Weekly Update' is sent out with key school information, including year group information. This is our key method of communication with parents so please do ensure you read it each week. We will occasionally send out other emails to parents where required.

If parents and carers need to make contact with class teachers, this should be through emailing the school office: admin@st-catherines.manchester.sch.uk

(parents and carers are not permitted to directly email class teachers or leaders unless specific approval has been given by the Headteacher, which is only in exceptional circumstances)

Any Questions?

We hope that we will have answered many of the questions you may have had but please know we are always here to help. If you have any further questions, please email the school office and a member of staff will endeavour to get back to you as soon as possible.
